

# ST. MARY'S HIGH SCHOOL

*Inspired by **FAITH**, Empowered by **KNOWLEDGE**, United by **COMMUNITY***

## Welcome from the President

In 1885, the Sisters of Loretto opened a school on the Front Range of the Rockies under Pikes Peak. Without knowing what the future held, our fore-sisters and -fathers determined that the path forward was paved with education. These visionary educators saw the need to educate the young men and women of the families who were moving west. Over 138 years later, St. Mary's High School continues to provide a well-rounded education grounded in our Catholic faith. Times change, but the essence of our mission has not: to educate students in the Catholic tradition to be responsible, moral, critical thinkers and leaders well prepared for college and life.

How we meet our mission continues to evolve as we embrace new technologies and continue to improve teaching and learning.

I invite you to visit our website and see for yourself the ways we educate and form students in Faith, Knowledge, and Community.

St. Mary's – where the mind and imagination flourish.

Sincerely,

Thomas Maj, President
