November 2023

**November & December are busy months @ school, please keep this for reference!**

## Where's Waldo?

We had a great Red Ribbon Week here at NWES the last days of October. The students really showed their spirit for keeping their minds clean and doing the right things with their body. Several classes had a lesson from our counselor where they learned the differences between poisons (inappropriate items for their bodies, i.e. cigarettes, alcohol, vapes, etc..) and non-poisons. They were able to listen to stories about great choices from their teachers. We ended Red Ribbon Week with our Storybook Character Parade, can you find Waldo?
