

Dear Parent or Guardian,

The **SHAWNEE LOCAL SCHOOLS** will be using a new parent app, Stopfinder, **starting October 2, 11:30 am**. Stopfinder is the easy to use, all-in-one app that allows you to have the most accurate information about your student's bus schedule at anytime from anywhere. In addition to displaying your student's transportation information, Stopfinder features a **private messaging feature** that will allow you to communicate directly with the **SHAWNEE** Transportation Department. You can also create **GeoAlerts** for your student, which will notify you when the bus has arrived in or departed from any location on your student's route, including their assigned bus stop and school. **GeoAlert** Alert Zones can be created for individual students allowing you to customize the Alert Zone based on their bus route.

The email address that is currently on file with the district, the address used for this communication, will be used for Stopfinder setup. Please contact the mikeb@limashawnee.com or kims@limashawnee.com to make a change to your primary email address prior to **September 30th**.

Stopfinder can be downloaded for free from the App Store or Google Play. Stopfinder will require an invite and registration through the district prior to accessing your student's transportation schedule. Please watch for a Stopfinder invitation **October 2**.

Thank you,

SHAWNEE TRANSPORTATION DEPT.
