Dear Scholarship Director,

Mount Adams Fruit is pleased to announce that this year three scholarships will be awarded:

- One for \$8,000 renewable for four consecutive years, \$2,000 per school year AND
- Two for \$2,000 renewable for two consecutive years, \$1,000 per school year

for the children of their employees who will graduate from high school this school year. Each scholarship will be renewable as long as the student is in good standing. Attached you will find the eligibility requirements and instructions, application and evaluation forms.

It will be awarded primarily on the basis of merit, achievement and complete application with all the requirements. There are no questions on the application regarding financial need; however, in cases of equal qualifications, need may be taken into account.

The scholarships are meant for one student who will complete a four-year degree and for two students who will complete a technical program or an associate degree.
