

February 2nd, 2024

Dear Senior Parents and/or Guardians,

As spring time approaches, we are in the process of planning our senior social, which is scheduled for May 31st, 2024.. The cost of this event will be around \$30. The social is always a special memory for our seniors to take with them when they transition to their next school. However, the issue of respect and behavior must be addressed, before the event mentioned above takes place. Suspension and write ups will be addressed if students do not follow rules and procedures of the school, class, bus, and PBIS. **We would like to make it clear that the event is a privileged event instead of a reward or a right as a senior eagle. As of today,in order for students to be able to attend the social, the following criteria must be met:**

- **3 green thumbs weekly for each subject in Classworks**
- **No more than 1 out of school suspension**
- **No more than 2 office referrals (Office referrals may include dress code violation, disrespect, class disruption, etc.)**
- **No more than 2 bus referrals.**

It is our hope that this letter is taken in a positive light, and parents please understand and help us stress to our students they are a reflection of our school. The seniors need to know that their conduct can and will be a determining factor in deciding if they will be allowed to attend the social.

If you have any questions concerning this letter and the requirements for your child to attend the social, please call Ms. Kim, or Mrs. Tara at 910-521-4272. Thank you for your support.
