Basketball Color Guard Continues...

So far, our cadets have
completed 34 color
guards! Thank you to all
of the cadets who made
all these Color Guards
possible!

Harrison County Change In Command Ceremony

During the start of the second
semester, we do a change in com-
mand. Group Commander chang-
es from Cadet Col Jenny Fortner to
Cadet Col Makayla Littrell!
Littrell is a crosstown cadet from
Nicholas county and is a spectac-
ular leader who goes above and
beyond for the cadets and our
program as a whole. We know she
will do great things! Fortner was
also an amazing leader for our
program. She continues to make
the unit better without the title.
Good job girls!

Air Rifle Season

Our Air Rifle team is get-
ting a new equipment set!
It's very updated technology
and the team is very excited
to get out there and test it
out!

Awareness Presentation Team at Eastside

Cadet Karlie Gatrost took lead on our Awareness Presentation Team which is very similar to the DARE program. They have been to 3/4 Elementary schools in Harrison County so far to talk to the 5th graders about future issues that they may encounter in middle school.

After-School Enrichment

A couple of our cadets have been working on visiting each elementary school during their after-school enrichment programs! The most recent one, we went to Northside and taught the kids how to properly fold a flag! We also played a good couple of games of dodgeball!
