The National Guard will be here on **March 19th**. If you are interested in learning more about the National Guard, please sign up to attend in the Student Service office.

The Junior Class presents a "Tangled" prom: Prom tickets will be sold **starting Monday 3/11 during A and B lunch**. Tickets are \$65 for dinner and dancing at Solitude Links in Kimball on **Saturday, April 13**. Guest passes will be available in the office before or after school.

Student Council - Our next meeting will be **Monday, March 18th at 7:30am** in the Art Room (please continue to enter through Pioneer Hall). We will be having a presentation from our State Leadership Conference attendees, so please make every effort to attend and be on time.

Any student interested in joining Student Council for next school year, please grab an application form from either the main office or from the folder outside of room 212. Applications are due **March 21st** to Mrs. Stomack, and there are limited spots available so the sooner you turn in your form the more likely you will be a part of the **2024-2025 CLHS Student Council**.

SENIORS...Because of the FAFSA delays this year, the Sanilac County Community Foundation has made some changes as to what you need to upload for proof of FAFSA completion. You now need to complete and upload the [Federal Student Aid Estimator](#) to the scholarship website prior to submitting your scholarship(s). You must still complete your FAFSA, as they may require you to verify your Student Aid Index (SAI) at a later date. Again, this change is only taking place this year because the FAFSA is not providing results fast enough for students this year.

Sanilac County Community Foundation (SCCF) Scholarships 03/17/24. Apply at [Sanilac County Community Foundation](#).
