

STUDENT TRANSFER AGREEMENT

By accepting a transfer offer, you are agreeing to the terms of the applicable McAllen ISD Transfer Agreement:

1. Application for out-of-district and in-district student transfer is subject to approval based on policy FDA (LOCAL) or FDB (LOCAL), respectively, and established rules and guidelines set forth in this transfer agreement.
2. Parent(s)/Guardian(s) must provide a copy of their child's attendance and disciplinary record as part of the application.
3. If transfer is approved, McAllen ISD will assign the student to a designated campus based on policy FDA (LOCAL) or FDB (LOCAL) and established rules and guidelines set forth in this transfer agreement.
4. If requested by the Principal, the parent(s)/guardian(s) and student(s) must meet with the assigned campus Principal.

The Superintendent or designee is authorized to accept or reject any transfer requests, provided that such action is without regard to race, religion, color, sex, disability, national origin, or ancestral language.

I have received a copy of the policy FDA (LOCAL) regarding out-of-district transfers / FDB (LOCAL) regarding in-district transfers.

- I understand that transportation to and from school is my responsibility.
- I understand that falsification of information is a Class A Misdemeanor as per Sec. 37.10, Penal Code and subject to fees rendered under T.E.C. Sec. 25.001 (h).
- I have received a copy of the UIL eligibility requirements for academic, music, and athletic competition. I understand that I have been referred to the McAllen ISD Athletic Director for any UIL Athletic questions.
- **For out-of-district transfers:** I understand that this transfer cannot be revoked before the end of the school year. However, the agreement might not be renewed for the following school year if the student fails to abide by the conditions set forth in this agreement and policy FDA (LOCAL).
- **For in-district transfers:** I understand that this transfer may be revoked at any time during the school year if the student fails to abide by the conditions set forth in this agreement and policy FDB (LOCAL)
- The Superintendent or designee will determine whether the condition(s) are met.

Attendance & Discipline Conditions

- The student will be held accountable to consequences of any attendance or discipline infractions.
- The student will maintain a satisfactory discipline record that must not include an assignment to a DAEP.
- The student will maintain a satisfactory attendance record that does not exceed nine (9) absences in one year. *(These absences count from the time the student becomes a transfer. Absences that occurred prior to the transfer status are not counted toward this threshold.)*
- I understand that I must enroll my child within 10 school days of the date of the transfer approval. Failure to do so will void the transfer approval. Any circumstances that prevent enrollment within 10 days must be submitted for review.
- I understand that the transfer is approved until my child completes the highest-grade level at the assigned campus; but that annual renewal is based upon the attendance and discipline criteria set forth in this agreement and FDA (Local) Policy.
