

Hello Parent/Guardian,

Our records indicate your child was approved for transfer to **their current middle school** as an **8th grader** for the **2023-2024** school year. If this is no longer accurate, please disregard the following message.

The **2024-2025** Skyward registration portal will open on December 18, 2023. Your child's registration access will be set for the high school their current middle school is zoned for.

Travis Middle School & Morris Middle School are zoned for **McAllen High School**.
Brown Middle School & Cathey Middle School are zoned for **Memorial High School**.
Fossum Middle School & De Leon Middle School are zoned for **Rowe High School**.

The transfer application is **open now** and you do not have to wait to submit a request if your child needs one.

- If you are **zoned to a school outside of McAllen ISD**, you will need to **submit a new transfer request** to complete the registration process.
- If you are **zoned to another McAllen ISD high school**, you will need to **submit a new transfer request** to complete the registration process.
- If you are **zoned to the high school your current middle school is zoned for**, you **do not need to submit a new transfer request** to complete the registration process.
- If you would like to **attend the school you are zoned for and that school is not where your current middle school is zoned**, please **contact Student Outreach** as soon as possible to update your Skyward registration access.

Please visit the [McAllen ISD enrollment page](#) for more information on transfer policy and requests. Zone maps can be viewed [here](#).

If you need assistance submitting the transfer request, are unsure if you need a new transfer request, have had a recent change of address or have any questions at all, please contact Student Outreach at (956) 687-6473. We are located at McAllen ISD Administration, 2000 N. 23rd St., McAllen. To login to your School Mint account, click [here](#).

We look forward to your child continuing to be part of the McAllen ISD Family!

Thank you,

Elizabeth Cavazos, Director
McAllen ISD Student Outreach
