Today we are excited to kick off our "Independent Learners" campaign at school. Teachers and students held an assembly at the start of school to discuss the meaning of becoming an Independent Learner and how to make it happen. The staff at school is wanting to create learners that are not afraid to try new things, are willing to persevere and willing to show they have tried. Below are the recommendations to becoming an Independent Learner.

Over the course of this year students and teachers will work together to help achieve goals set forth by teachers in their classrooms. Rewards for students who follow examples above will be recognized at school. I want to encourage you at home to follow the recommendations above when helping your child with homework, or with any aspect of life at home. If you have any questions or would like to discuss further, please feel free to call me. (605-239-4387)

We hope together we can all help our students become Independent Learners.

Josh Oltmanns
Hanson Elementary Principal
