Newark Families and Staff,

Great job on all 5th things NGS! 😊 MJH students - please check lost and found for your items!

Erin's Law presentations are this week. We partner with Guardian Angel for presentations for the students. We are including this resource for parents: <https://www.erinslaw.org/for-parents/>
Erin's Law requires schools to teach children (age appropriate) signs of personal body safety. We all love and want to protect our children - this is one way schools can help children learn to say no and report unwanted touch. The link provides more information.

Basketball registration for the 2024 Newark Lisbon Rec Association season is now open! Registration is open to Second year Pre-K to 4th grade students. Please visit nlrecassociation.weebly.com for more information and to register. Registration ends **December 15th**.

Thank you again to Mrs. Rowe for organizing a wonderful Christmas concert last week. Shout outs to Mrs. Winner for the student art work, Mr. Lee for the background banner, PTO - so many - for the set up, the big guy, cookies, candy canes, clean up - you all do so much! Thank you NGS/MJH teachers and staff, the Big Guy, Mr. Russo for donating 50/50 to teachers and everyone who came out and supported the program. We have an amazing community of support and love!

Sports Boosters - any spirit wear orders are due **December 11th!** (flyer below) And, Boosters Valentine's Day Raffle ticket sales have begun! All student athletes have raffle tickets for sale. 28 winners all through February with the big pot on Valentine's Day! All tickets are due in January.

Thank you to all the moms who helped with the Penguin Patch HolidayStore! The store sold over \$2,000 in merchandise. PTO receives 10% of the sales. Every dollar PTO collects for any fundraiser goes directly back to the students, staff and our schools.

The Grinch visited MJH students on Friday! Perfect visit for middle school students! Thank you to PTO for organizing that visit!

Yearbook order forms are enclosed below! We will send home a hard copy on Friday! Ordering is open until February 23rd! Now is your chance to order your yearbook! Yearbooks are delivered in August.

We are in need of track coaches for this spring! We are looking for a Head Track Coach and an Assistant Coach. If interested, please forward your letter of interest and resume to Mrs. Turman, Ms. Chase or Mr. Anderson by February 1! The season will begin in March - not too far away!

Dress up days continue this week in our 12 Days of Christmas countdown. The flyer is attached below! Monday is our 5th - 8th Band Concert at NCHS at 7:00 pm. Basketball season winds down with the conference tournament this week. 5th/6th will finish their season this week. Congratulations to our 7th grade Basketball Team - 1st place in Conference play and 3rd in their tournament last week! Be sure to check the website: www.ngsd66.org and the district APP to keep up with all the information! Wishing you a wonderful week ahead!
Partners in Education,
Mrs. Turman and Ms. Chase

Dates to Remember:

December 11 - Band Concert @ NCHS 7:00 pm

December 14 - Erin's Law Presentations; 4th Grade to Charlie and the Chocolate Factory

Keeping your Kids Healthy during Cold and Flu Season

<https://www.mercyone.org/health-and-wellness/health-answers/pediatrics-care/keeping-your-kids-healthy-during-cold-and-flu-season#:~:text=Keeping%20the%20germs%20away,your%20mouth%2C%20nose%20and%20eyes.>

Winter weather means that snow, holidays and the common cold season are in full swing. Most winter illnesses are caused by viruses -- including RSV, influenza, and yes... COVID-19. While most cases of winter illness in children are mild, sometimes they can be severe or lead to complications. Thankfully, mild cases can be easily treated and prevented at home.

Keeping the germs away

Do your best to avoid illness by preventing the spread of germs as much as possible. This includes washing hands often - especially after your child comes home from daycare or school. Cover your nose and mouth when coughing or sneezing. Similarly, avoid touching your mouth, nose and eyes. Many viruses can survive on dormant surfaces, so regularly disinfect hard surfaces, commonly touched objects (such as doorknobs and light switches) and toys. Do not share towels or wash cloths with a sick person.

Symptoms and treatment

These viruses can lead to many symptoms ranging from a runny nose to difficulty breathing. It is also important to remember that for most instances of the common cold, antibiotics will not help as antibiotics are for a bacterial illness only. Here are symptoms to watch for:

Symptoms

Runny nose or nasal congestion

Treatment

For nasal congestion, use nasal saline drops before suctioning your little one's nose. Saline helps to loosen up the mucus and allow you to get more out when suctioning. This can be especially helpful before feeds or a nap.

For older children and adults, nasal saline sprays can also loosen nasal secretions and moisten the nasal lining. If tolerated, sinus rinses can be a great remedy to rid congestion.

Difficulty breathing, coughing and wheezing

A cough is the body's natural way of protecting the lungs from mucus build-up. **Do not** give cough suppressants to most children. If you are considering giving honey as a home remedy, remember that honey should never be given to a child less than one-years-old.

Sipping water or warm tea can help suppress a throat tickle.

If your child has a barky cough or is diagnosed with croup, try having them breathe in the cold air outside or from the freezer. Keep in mind that it is common for a cough to last weeks after initial illness; try to be patient.

Fever

Tylenol or Ibuprofen. Remember that fever is the body's mechanism for fighting a virus or bacterial infection. You do not need to treat the fever. Treat the child. If the child is uncomfortable with fever, treat with fever-reducing medicine. If they are not and the fever is not above 102 degrees rectal, you may not need to treat it. Let the fever do its work.

For more extensive discussion of fever in children and when to treat please see:

<https://www.mercyone.org/health-and-wellness/health-answers/pediatrics-care/keeping-your-kids-healthy-during-cold-and-flu-season>

Do not give aspirin

Dehydration

Increase intake of fluids like water. Make sure your child is urinating at least 3-4 times in a 24-hour period. If the child cannot drink without vomiting, try giving sips every 5 minutes. If vomiting continues, seek medical help

Loss of appetite

It is okay if your child does not want to eat solid foods, however it is important that they continue to drink plenty of fluids like water.

Sore throat

For the older kids, cough drops/lozenges and gargling salt water can help soothe sore throat

Don't fall for common cold myths

There are many myths that surround the common cold, so don't be fooled! The color or consistency of your child's mucus is not indicative of a bacterial infection. It is okay to receive vaccinations when mildly ill or with a low-grade temperature. And contrary to my own mother's advice, you don't catch a cold from simply going outside with wet hair and drinking a lot of orange juice will not prevent you from getting sick.

Most cases of the mild cold can be safely treated at home with a few easy remedies and supportive measures. The most common complications requiring immediate attention or evaluation include dehydration, respiratory distress or secondary infections. So, keep track of your child's urinary output and monitor for signs of increased difficulty breathing (including fast and heavy breathing, using the muscles between the ribs to breath or flaring of the nostrils). Bring your child in for evaluation if the illness lasts longer than two weeks, if fevers last longer than four days or if your child seemed to be doing better before they got worse again.

11/4/2023

Newark-Millbrook PTO
503 Chicago Rd
Newark, IL 60541

Dear Parents,

We are writing you on behalf of the Newark-Millbrook PTO to request donations for our annual Daddy/Daughter Dance scheduled for March 9, 2024. The donations are collected to make the raffle baskets and the sales of the tickets will go towards repairs to the school playground equipment, classroom supplies, and other essential educational materials for both the Newark Grade School and Millbrook Junior High.

We are creating gift baskets filled with fun merchandise, gift cards and services generously donated by local businesses (or parent donations) that will be part of the raffle ticket fundraiser at the event.

Should you make a cash donation or donation of goods or services, your business will be recognized at the Daddy/Daughter Dance as well as in the school Enews. We will also provide a donation receipt letter with the PTO's tax exempt ID number for your records.

Donations can be sent directly to Newark Grade School or Millbrook Junior High, or we can pick-up at your convenience. We ask that donations are received no later than Monday, January 29, 2024. If you have any questions or need further information, please contact Gilly Fordyce.

On behalf of the students, parents, and faculty of Newark Grade School and Millbrook Junior High, thank you for your consideration.

Sincerely,

Gilly Fordyce
PTO President

Karen Greer
PTO Vice President

WHAT IS S.A.S.S.?

S.A.S.S. stands for Screening, Assessment and Support Services.

SASS provides emergency screenings to determine the level of care needed (Deflection, Partial Hospitalization Program, and inpatient hospitalization) along with follow up care. S.A.S.S. is a service for students who have Medicaid, a Medicaid Managed Care Plan, are uninsured or under insured only.

FOLLOW UP CARE

After a child is assessed, regardless of the outcome of the assessment, the child is assigned a case worker for 90 days of service eligibility.

We encourage families to contact schools to continue follow up with the worker to coordinate care if child and parent were willing to sign consent at the time of assessment.

SCHOOL CONTACTS

Alyssa Olin, MSW, LCSSW
School Social Worker
NGS & MJH
AOlin@ncsd66.org
630-553-5435

MAKING A CONTACT/REFERRAL

1

ASK ABOUT INSURANCE

- S.A.S.S. only covers Medicaid, Medicaid Managed Care Plans, uninsured, or under insured clients.
- If you have private insurance, the guardian may wish to take the student to a behavioral health intake department in their insurance network.

Linden Oaks
852 S. West Street
Naperville, IL 60540

Ascension Mercy Behavioral Health
1330 North Lake Street
Aurora, IL 60506

2

PARENTAL CONSENT

- It is required that a parent/guardians be available to provide consent.
- Physical presence in the home by a parent/guardian is required. Be prepared to provide a time and location for evaluation.
- For non-english speaking families, a translator can be requested in your native speaking language.

3

PROVIDE SAFE LOCATIONS

- Be aware that assessments can take several hours in some cases. Ensure that as the parent/guardian you are able to be near the child until the assessment and recommendations have been concluded.

4

PLACING THE CALL

- Call CARES (1-800-345-9049).
- Provide detailed information about statements the child has reported or behaviors the child is presenting that warrant parent/guardian concern.
- Please share if the student has made any suicidal, homicidal, self-harm, or other threatening comments. Be specific with workers, quote or provide examples when able.
- If you are concerned that your child is using substances, be prepared to share specific information on regarding your concerns (behaviors, type of possible substance, if you have found substances)
- If you or your family feel unsafe with the child in the home, please share this information with the worker.

If you feel this is a medical emergency or you are in immediate danger, please call 911

Contact Information:

The SASS provider for Kane and Kendall County is Family Services Association of Greater Elgin. If you have any questions or concerns about SASS in your area, please feel free to reach out to Tameron Keefe, LCSW (Crisis Supervisor) or Janeth Barba, LCSW (Director of Crisis Services) at 847-695-3680.

WHAT IS SAFE2HELP IL?

Safe2Help IL is a program with a multifaceted approach to help prevent suicides, bullying, school violence, or other threats to school safety. The program offers a website with self help resources and videos, a classroom resource kit to help change the culture in Illinois schools, and a 24/7 **confidential** way to share information regarding safety issues impacting you or your friend's safety. Our goal is for students to **"Seek Help Before Harm."**

DID YOU KNOW?

- 70%** of teens have experienced struggles with mental health.
-  1 in 6 students experienced a major depressive episode in 2020.
-  1 in 5 high schools students report being bullied in school.
-  15% of adolescents increased their use of alcohol.
