WHAT IS S.A.S.S.?

S.A.S.S. stands for Screening, Assessment and Support Services.

SASS provides emergency screenings to determine the level of care needed (Deflection, Partial Hospitalization Program, and inpatient hospitalization) along with follow up care. S.A.S.S. is a service for students who have Medicaid, a Medicaid Managed Care Plan, are uninsured or under insured only.

FOLLOW UP CARE

After a child is assessed, regardless of the outcome of the assessment, the child is assigned a case worker for 90 days of service eligibility.

We encourage families to contact schools to continue follow up with the worker to coordinate care if child and parent were willing to sign consent at the time of assessment.
