# SEASONAL INFLUENZA (FLU) FACT SHEET FOR PARENTS

Some cases of influenza (flu) have been reported from your child's school or classroom. Flu is different from the common cold. It can cause fever, cough, sore throat, headache, muscle aches, and vomiting. Flu can be very serious and may even cause death in some people with chronic health conditions, young children, pregnant women, or elderly persons.

## HOW DOES THE FLU SPREAD?

Flu spreads between people when those sick with the flu cough, sneeze, or even talk. The flu virus can be spread to people up to 6 feet away. Flu can also spread when people touch their face or eyes after touching something that a sick person has touched.

## QUICK STATS

In the U.S. every day, an estimated 55 million students and 7 million staff attend more than 130,000 public and private schools. Implementing the Centers for Disease Control and Prevention's (CDC) "Take 3 Actions" would aid in preventing influenza infection among one-fifth of the total U.S. population (CDC, 2021).

Flu vaccination reduced the risk of a flu-associated death by 65% among healthy children and 51% among children with high-risk medical conditions (CDC, 2017).

## HOW TO PREVENT THE FLU?

Use the CDC's "Take 3 Actions"

1. Take time to get a flu vaccine. Flu vaccination is the best way to prevent the flu. IDPH strongly recommends all Illinois residents older than 6 months old get the flu vaccine as soon as possible to prevent the flu unless they have a medical reason not to be vaccinated.
2. Take everyday preventive actions.
  - a. Avoid close contact with ill persons.
  - b. Keep your child home if they have a fever (100 degrees Fahrenheit or higher).
  - c. Cover your nose and mouth with a tissue or upper sleeve when you cough or sneeze.
  - d. Frequently wash hands with soap and water or alcohol-based hand rub.
  - e. Frequently clean and disinfect surfaces that are high-touch areas.
3. Take Influenza antiviral medicines, if prescribed. Antiviral drugs can make flu illness milder and shorten the time a person is sick with the flu. They may also prevent serious flu complications. (Flu antiviral drugs are not designed to treat COVID-19.)

# Illinois 5Essential Survey is now open!

## January 31 - March 29

Dear Families,

Beginning January 31, 2024, students and teachers across Illinois will have an opportunity to participate in the eleventh annual statewide Illinois 5Essentials Survey. This survey is designed to generate a detailed picture of the inner workings of your child's school. As a parent/guardian, this opportunity will allow you to share your thoughts on the important elements of school effectiveness in a survey about your child's school.

On behalf of the Illinois State Board of Education, the 5Essentials Survey will be administered online by [UChicago Impact](#) at the [University of Chicago](#). The survey gathers data related to five indicators that can predict important student outcomes, including improved attendance and larger test score gains. These five indicators that affect and predict school success are:

1. Effective Leaders
2. Collaborative Teachers
3. Involved Families
4. Supportive Environments
5. Ambitious Instruction

Prior research in more than 400 schools has shown that schools that were strong on at least three of these "5Essential" indicators were 10 times more likely to improve student learning gains in math and reading than those that were weak on three or more Essentials.

All teachers and **fourth through 12<sup>th</sup> grade students** will be responding to this survey. 5Essentials Reports will be generated for schools if their teachers and/or students meet the response rate threshold of 50 percent. These reports will be sent to schools and districts in May and will also be included in the State School Report Card.

Additionally, your district has chosen to provide the optional supplement parent survey. If at least 20 percent of Newark Grade School and Millbrook Jr. High parents/guardians complete this survey, a parent report will also be generated. The parent data will not be included on the State Report Card.

Your participation in the parent portion of the survey will help us understand the conditions at your child's school and guide improvement. Your identity and survey responses will be kept completely confidential and will never be connected to you or your child.

The Illinois 5Essentials Survey for students and teachers will be conducted January 31 - March 29. The Parent Survey Supplement will be conducted during that same period. To take the survey please visit <https://survey.5-essentials.org/illinois/> and select the appropriate survey to begin. For more information about the Illinois 5Essentials Survey, or to view previous years' Reports, please visit <https://www.5-essentials.org/illinois>. If you have any questions or concerns, please contact UChicago Impact Survey Support at 1-866-440-1874 or [impact-surveys@uchicago.edu](mailto:impact-surveys@uchicago.edu).

# Free Income Tax Help

AARP Tax Aide is offering free income tax preparation service at both the Aurora and Yorkville Senior Services Associates locations. AARP Tax Aide volunteers are trained in cooperation with the Internal Revenue Service (IRS) as part of its Tax Counseling for the Elderly (TCE) program.

This free tax preparation service can address most of the tax return issues faced by low- and moderate-income taxpayers with special attention to those 60 and over. No need to be an AARP member and there are no age or income limits. Tax Aides can file long form with itemized deductions but are not authorized to file complex returns including those with rental income, farm income or self-employment businesses with a loss.

Return preparation will be in person. Clients will need to pick up and complete the required information forms in advance of their scheduled appointment. Estimated preparation time is 90 minutes including the Quality Review. All completed returns will be electronically filed.

Make sure you have received ALL your tax documents before scheduling your appointment. Please bring all of the following that apply to you, for your session:

- \* All W-2's
- \* Property Tax Bill
- \* Year End Brokerage Stmt.
- \* Photo ID
- \* Social Security Card or other official documentation for yourself and all dependents
- \* 1099- B, -R, -DIV, -INT, -MISC, -SSA
- \* 1095A (Marketplace Health Insurance)
- \* Checkbook (For direct deposit of refund)
- \* 2022 Tax Return

Tax preparation and counseling will be available from Tuesday February 6, 2024 through Thursday April 11, 2024 by appointment only at:

**Aurora**  
**New Day**  
**Tuesday's** from 9:00-2:00  
Senior Services Associates  
2111 Plum Street, First Floor  
Phone: (630) 897-4035

**Yorkville**  
**Thursday's** from 9:00-2:00  
Senior Services Associates  
908 Game Farm Road  
Phone: (630) 553-5777

Starting January 2<sup>nd</sup> you can stop by one of the locations to pick up a Tax Information Packet. Your appointment will be scheduled when you pick up the Packet.

For more information, please call Karen D. (630-882-0203)

## WHAT IS S.A.S.S.?

S.A.S.S. stands for Screening, Assessment and Support Services.

SASS provides emergency screenings to determine the level of care needed (Deflection, Partial Hospitalization Program, and inpatient hospitalization) along with follow up care. S.A.S.S. is a service for students who have Medicaid, a Medicaid Managed Care Plan, are uninsured or under insured only.

## FOLLOW UP CARE

After a child is assessed, regardless of the outcome of the assessment, the child is assigned a case worker for 90 days of service eligibility.

We encourage families to contact schools to continue follow up with the worker to coordinate care if child and parent were willing to sign consent at the time of assessment.

# MAKING A CONTACT/REFERRAL

1

## ASK ABOUT INSURANCE

- S.A.S.S. only covers Medicaid, Medicaid Managed Care Plans, uninsured, or under insured clients.
- If you have private insurance, the guardian may wish to take the student to a behavioral health intake department in their insurance network.

Linden Oaks  
852 S. West Street  
Naperville, IL 60540

Ascension Mercy Behavioral Health  
1330 North Lake Street  
Aurora, IL 60506

2

## PARENTAL CONSENT

- It is required that a parent/guardians be available to provide consent.
- Physical presence in the home by a parent/guardian is required. Be prepared to provide a time and location for evaluation.
- For non-english speaking families, a translator can be requested in your native speaking language.

3

## PROVIDE SAFE LOCATIONS

- Be aware that assessments can take several hours in some cases. Ensure that as the parent/guardian you are able to be near the child until the assessment and recommendations have been concluded.

4

## PLACING THE CALL

- Call CARES (1-800-345-9049).
- Provide detailed information about statements the child has reported or behaviors the child is presenting that warrant parent/guardian concern.
- Please share if the student has made any suicidal, homicidal, self-harm, or other threatening comments. Be specific with workers, quote or provide examples when able.
- If you are concerned that your child is using substances, be prepared to share specific information on regarding your concerns (behaviors, type of possible substance, if you have found substances)
- If you or your family feel unsafe with the child in the home, please share this information with the worker.

**If you feel this is a medical emergency or you are in immediate danger, please call 911**
