Newark Families and Staff,

Welcome back! We hope you had a wonderful break and a fantastic Easter! Thank you to Mr. Britt and Mr. VanPelt for the deep cleaning of the buildings over break. We also replaced the walk out freezer roof at NGS, along with some classroom repairs. Are you ready? Let's rock the last 8 weeks of the school year!

Preschool: We have openings in the 4 year old afternoon M - Th program only. The other two programs are full for 2024 - 2025. You can still register for 2025 - 2028.

<https://forms.gle/pvPRML1PQBJTbvc36>

\$100 Registration fee for 2024 - 2025 is now due.

Thank you to those who were able to attend our district planning sessions. We still want your input! Find the response form here: <https://forms.gle/KyQkkWoVvxChrBes8>

We will be collecting responses until **April 5th**. The presentation can be found on the website. We will also use the information from the 5 Essentials survey! NGS had 35% and MJH 31% participation! Thank you!

**Highlights this week:**

- Monday: No school
- Tuesday: Welcome back to school! PTO meeting @ NGS 6:00 pm; Time to Dine at Culver's
- Wednesday: Kindergarten Round Up for 24 - 25 @ NGS 4:30 pm
- Thursday: IAR testing at NGS
- Friday: Staff vs Students BB game @ MJH 6:00 pm - open to the public (see flyer below)

Be sure to check the website: [www.ngsd66.org](http://www.ngsd66.org) and the district APP to keep up with all the information! Don't forget students should bring a water bottle and snack every day!

**NGS needs 3 things! But please watch the weather. Wintry mix still in the forecast. Coat, boots, gloves on days that are needed.**

Wishing everyone a wonderful week! Welcome Back!

Partners in Education,  
Mrs. Turman and Ms. Chase

## NGSD66 Illness Protocol: Should Your Child Stay Home?

In most situations the staff of Newark Grade School District 66 prefers students to come to school and if they become ill at school the parent/guardian will be notified. However, here are a few guidelines to help you decide whether your child is too ill to go to school.

### Fever

Your child should stay home if he/she has a temperature at or above 100.4° F. **Your child may return to school when he has been fever-free without the use of fever-reducing medication for 24 hours.**

### Contagious Illness

- Your child should stay home from school if he/she has a contagious disease. A contagious disease is one that is spread by close contact with a person or object. This could include chicken pox, influenza, vomiting, diarrhea, strep throat, "pink eye" with copious amounts of yellow or green drainage. Some illnesses may be contagious before the child shows signs of illness. It is very hard to prevent the spread of some germs, especially in a community setting. Good hand washing is the best way to prevent the spread of disease.
- If your child has chicken pox or strep throat, ask your doctor when he/she may return to school. Generally, children who have active chickenpox should not return to school until all the lesions are dried and crusted. Children with strep throat should be on antibiotics for 24 hours and be feeling well enough to concentrate before returning to school.

**Your child is too ill to go to school if he/she has any of these signs:**

- Has vomiting or diarrhea, unless these are determined to be due to a non-communicable condition and the child is not in danger of dehydration and feels well enough to participate in school. **Please keep your child home for 24 hours from the last episode of vomiting.**
- Is wheezing or consistently short of breath.
- Has a cough that disrupts sleep and/or normal activity.
- Has copious amounts of yellow or green drainage from the eye. If the doctor has given antibiotics, the child may return to school after 24 hours of treatment or according to the doctor's note.
- Rash that is rapidly spreading or accompanied by fever or has open, weeping lesions (rash without fever or other symptoms usually does not require the student to stay home)

**Your child may be able to come to school even if:**

- He/she has a mild stuffy nose, sneezing, and a mild cough without fever. Reinforce the importance of frequent hand washing.
- He/she has experienced one or two episodes of diarrhea without vomiting, abdominal pain, or fever.

March 17, 2024

Dear Parent or Guardian:

We will be giving your child state-required assessment tests April 4<sup>th</sup> – April 19<sup>th</sup>. Students in grades three, four, five, six, seven and eight will be tested in reading and mathematics. In addition, 5<sup>th</sup> and 8<sup>th</sup> grades will perform three sections in Science. It is extremely important to have good attendance on testing days. MJH will be testing on April 9, 10, 11. NGS will be testing April 4 – 11.

The tests are a part of the Illinois Assessment of Readiness and are being given to all eligible students. Students will be challenged to apply their knowledge instead of just memorizing facts.

You can help your child do his/her best on these tests by following these guidelines:

- ✓ Make sure that your child attends school on all days of testing.
- ✓ Make sure your child gets a good night's sleep the night before testing.
- ✓ Provide a healthy breakfast on the mornings of testing.
- ✓ Remind your child to ask the teacher questions if he/she does not understand the test directions.
- ✓ Let your child know that you have confidence in his/her ability to do their best.
- ✓ Advise your child not to worry about the test - just do his/her best!
- ✓ Testing materials needed by grades three through eight students are: **Headphones, Number Two pencils and a calculator. (The calculator for grades 6<sup>th</sup> – 8<sup>th</sup> only CANNOT be on an electronic device such as a Kindle or iPod, or any kind of phone.)**
- ✓ **Students cannot have phones, smartwatches, or any other technology besides their district issued chrome book for testing.** Any smartwatches/devices can stay with the teacher in the classroom, but cannot be next to the student.
- ✓ Please bring a healthy snack and/or juice, water. We will have a break after testing.

Please contact your child's teacher if you want additional information or have further questions about these tests. We look forward to sharing the IAR results with you. Thank you for your continued support at home.

# WHAT IS S.A.S.S.?

S.A.S.S. stands for Screening, Assessment and Support Services.

SASS provides emergency screenings to determine the level of care needed (Deflection, Partial Hospitalization Program, and inpatient hospitalization) along with follow up care. S.A.S.S. is a service for students who have Medicaid, a Medicaid Managed Care Plan, are uninsured or under insured only.

## FOLLOW UP CARE

After a child is assessed, regardless of the outcome of the assessment, the child is assigned a case worker for 90 days of service eligibility.

We encourage families to contact schools to continue follow up with the worker to coordinate care if child and parent were willing to sign consent at the time of assessment.

# MAKING A CONTACT/REFERRAL

1

## ASK ABOUT INSURANCE

- S.A.S.S. only covers Medicaid, Medicaid Managed Care Plans, uninsured, or under insured clients.
- If you have private insurance, the guardian may wish to take the student to a behavioral health intake department in their insurance network.

Linden Oaks  
852 S. West Street  
Naperville, IL 60540

Ascension Mercy Behavioral Health  
1330 North Lake Street  
Aurora, IL 60506

2

## PARENTAL CONSENT

- It is required that a parent/guardians be available to provide consent.
- Physical presence in the home by a parent/guardian is required. Be prepared to provide a time and location for evaluation.
- For non-english speaking families, a translator can be requested in your native speaking language.

3

## PROVIDE SAFE LOCATIONS

- Be aware that assessments can take several hours in some cases. Ensure that as the parent/guardian you are able to be near the child until the assessment and recommendations have been concluded.

4

## PLACING THE CALL

- Call CARES (1-800-345-9049).
- Provide detailed information about statements the child has reported or behaviors the child is presenting that warrant parent/guardian concern.
- Please share if the student has made any suicidal, homicidal, self-harm, or other threatening comments. Be specific with workers, quote or provide examples when able.
- If you are concerned that your child is using substances, be prepared to share specific information on regarding your concerns (behaviors, type of possible substance, if you have found substances)
- If you or your family feel unsafe with the child in the home, please share this information with the worker.

**If you feel this is a medical emergency or you are in immediate danger, please call 911**
