Dear Parents, Guardians, and 8th Grade Students,

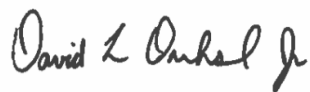

We look forward to welcoming you to Madison High School for 8th Grade Information Night on Monday, November 6th. Please refer to the [letter that was distributed to families on October 16th](#) for an overview of the event. Thank you to those families who completed the Google Form within that letter. Based upon the information we were able to gather, the tentative schedule for the evening is as follows:

- **6:00 pm - Auditorium - Academy of Government & Leadership Presentation**
 - Information for those families interested in a partnership between the Morris County Vocational School District and Madison High School heading into its third year in the 24-25 school year.
- **6:30 pm - Room A2 - Special Services Presentation**
 - General information for families with students with IEPs interested in learning about the special services their child will be receiving at the high school, if they are eligible.
- **7:00 pm - Various Rooms - General Information Sessions**
 - Families will be split into seven groups that will rotate throughout the building for 10-minute general information sessions showcasing the high school. We ask that families go to their assigned locations based on their child's last name at 7:00 pm to ensure that groups are balanced. Families will rotate through every station. Those sessions include:
