

**Is your child a
different learner?
Do they have an IEP, 504 or
receive special services?**

The Madison Special Education Parent Advisory Group provides support and collective advocacy for families of children with special needs. The SEPAG seeks to develop effective communication between parents, faculty, and special services personnel in the schools.

If your child has an IEP, 504, or receives special services, we invite you to join the Madison SEPAG and our community of parents, educators and community members.
