

SPEED STACK FUNDRAISER FOR P.E.

20% OF ALL SALES GO TOWARDS NEW/ADDITIONAL EQUIPMENT.

Attention Parents:

Over the last week, your child has been speed stacking in P.E. Speed stacking offers many benefits to our students, <https://www.speedstacks.com/instructors/resources/benefits/> this unit typically lasts about 2 weeks (4-6 class periods).

We will begin selling speed stack sets, mats & timers on Monday November 20th during parent teacher conferences in the gym. This acts as a fundraiser for our physical education program. 20% of all sales goes directly to the physical education program in the form of a gift certificate to purchase new/additional equipment. Last year our program raised just over \$600. We were able to purchase additional jump ropes, targets, balls and more.

Below is a list of costs for cups, mats and timers. We will sell on a first come first serve basis and until we are out of cups. We will continue to sell cups the week after Thanksgiving break if there are any left after conferences. There are multiple color and design choices and they make excellent Christmas gifts.
