

Navarro High School Cybersecurity P-TECH Academy

Getting Started

STEP 1

Identify if P-TECH is right for your student.

STEP 2

Both students & parents complete the Navarro High School online P-TECH Application during the application window.

STEP 3

Accepted students attend the summer bridge program

STEP 4

Watch your student thrive.

What is P-TECH?

- Pathways to Technology Early College High School
- Part of the College & Career Readiness School Model (CCRSM)
- Opportunity to earn an Associate's degree, a Level 1 certificate and/or an industry-based certification while in high school

What are the Benefits?

- Up to 60 hours of **FREE** college courses that may transfer to a 4-year university
- Free certification exams recognized by industry
- Support, guidance, and industry mentorship provided by the district and industry partners in the field

What are the Requirements?

- Incoming 9th or 10th Grade students interested in the Cybersecurity Pathway
- Commitment from both the student applicant and the parents or guardians
- Completed two-part (student/parent) application
- Attendance of Summer Bridge Camps and student/parent meetings

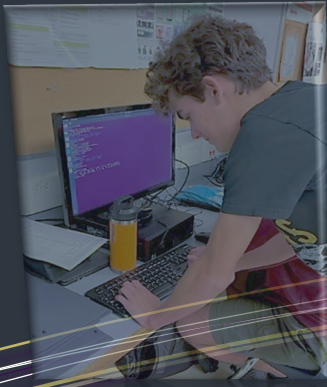

1.SAVE TIME

2.SAVE MONEY

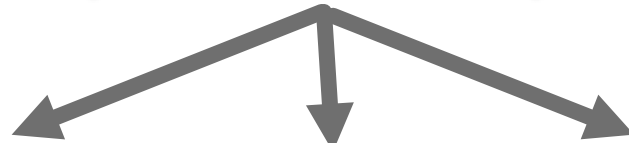

3.BE COLLEGE & CAREER READY

It is the policy of Navarro Independent School District not to discriminate on the basis of age, race, religion, color, national origin, gender, marital status, military/veteran status, disability, genetic information, sexual orientation, gender identity and expression, or other legally protected status in its vocational programs, services or activities as well as its employment practices as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

Navarro Independent School District offers several Career and Technical Education programs, including but not limited to Business Marketing, Health Science, Cybersecurity, Agriculture, Engineering, Information Technology, etc. Admission to these programs is based on interest, lottery selection, first come first serve basis, age appropriateness, and/or class space availability. Navarro Independent School District will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.
