Notes from the Principal, Ms. Dupuy ...

I wanted to take a moment to share that it has been a fantastic week at school, and we were so close to making it through the entire week before Mother Nature had other plans. Due to the snow, we had a late start and then had to leave early on Friday, but I'm grateful for the positive energy and engagement from our students throughout the week.

I would also like to emphasize the importance of **reporting absences** to the school promptly. This information is crucial for us to maintain a safe and healthy environment for everyone. When reporting an absence, please include the following details:

Reason for Absence: Specify the reason why the student is absent, whether it's due to illness, medical appointments, or other personal reasons.

Symptoms: If the absence is related to illness, provide details about the symptoms the student is experiencing. This includes any upper respiratory symptoms, indications of COVID-19, influenza A, gastrointestinal issues, or the presence of a fever.

This information is essential for us to comply with state reporting requirements. It enables us to track and monitor potential health concerns within our school community and take necessary precautions to ensure the well-being of our students and staff. Your cooperation in reporting absences is greatly appreciated, as it contributes to our efforts in maintaining a safe and healthy learning environment.

Reminders this week include:

- At this time, we are still asking that students be dropped off at the main entrance where a staff member will greet them and escort them inside. If you would like to talk with a teacher or staff member we ask that you schedule a time to meet. Arrival and dismissal times are not the best times for teachers to meet as they are helping students at that time.
- Daily dismissal time will begin with parent pick ups at 3:00, followed by bus dismissals beginning at approximately 3:15. Parents are asked to pull up to the entrance and your child will be brought out to meet your car.

Please do not hesitate to reach out to me if you have questions, concerns, or need support for your child or your family. Have a great week!

(email: jdupuy@rsu3.org school phone: 948-2280 cell: 249-1061)

Notes from the Office:

Please remember to call the office if your child is going to be absent. Thank You!!

Important Upcoming Dates.....

1/31 - Early Release Day

2/12 - School Board Meeting at MVHS 6:30

2/19 - 2/23 February Vacation

Check out what's happening at Troy School ... Week Of: 1/22

2/3	This week we are finishing taking our winter assessments. I will be sharing with you soon their progress. In math, 2nd grade is working on money. While third grade is finishing up our fraction unit.
Library	We have been enjoying our Chickadee Award nominee books! These are 10 new picture books we haven't read before, and when we read all 10, we choose our favorite. We will find out which one is the top favorite for the whole state this spring!
Agriculture 	Classrooms were crawling with insects this week. From a giant water bug, to a cicada, to luna moths, students got up close and personal with these interesting creatures! We're learning about all the major parts of an insect including their head, thorax, abdomen, six legs, and two antennae. We identified these parts on real insects with our magnifying glasses. Students noticed some interesting things!
SEL	This week, all students put together a mini lesson about how to respect class materials. All classes did a great job presenting their mini lessons to the class.

"In the symphony of education, each school day is a note, and together they create a melody that resonates with the rhythm of growth, curiosity, and the pursuit of excellence."

DO YOU HAVE TIME TO SUPPORT OUR
SCHOOLS **AND** EARN UP TO **\$135** PER DAY?

JANUARY 24TH & FEBRUARY 7TH
5:30 PM - 8:00 PM

Our schools and students need you - and not just as a teacher! Substitutes are hired in almost every job category - custodial, food service, educational technicians and bus drivers to name a few. Before you know it, in just two short sessions, taught by experienced RSU 3 substitute teachers and staff, you can be trained and earning \$100 plus a day! Background check and fingerprinting fees are 100% reimbursable for those who substitute!

This is a hybrid class that can be joined either live online or in person.

Is my child too sick for school?

Each day many parents are faced with a decision: should they keep their sick children at home or send them to school? Often the way a child looks and acts can make the decision an obvious one. In accordance with Maine Department of Health and Human Services guidelines, a child should not attend school if he/she exhibits one or more of the following symptoms or infections:

Keep your child home if he/she has any of the following symptoms:

- **Fever** (Greater than 100° F)- the student may return when fever-free for **24 hours WITHOUT the use of fever reducing medication.**
- **Cough:** A child with an uncontrolled cough should stay home until they are coughing with less frequency.
- **Diarrhea/Vomiting:** A child with diarrhea and/or vomiting should stay at home and return to school only after being symptom free for 24 hours.
- **Rash-** Any new onset of rash if accompanied by fever; may return after rash resolves or diagnosis is made and clearance given
- **Skin Lesions (sores)** – A student should not be at school with any sores with drainage that cannot be contained within a bandage
- **Strep Throat/Impetigo and other bacterial infections requiring antibiotics-** A student with strep throat must remain home until they have been on their antibiotics for a full 24 hours.
- **Colds-** A child with thick yellow-greenish mucous accompanied by fever, vomiting, diarrhea, or constant nasal discharge should remain home. Very few younger children can effectively blow their noses and wash their hands afterward. A child with the above symptoms will quickly spread the illness to other children.
- **Other-** Any symptoms or complaints that prevent the student from active participation in usual school activities

If your student tests positive for COVID-19, they must isolate at home for 5 days. After 5 days they may return with symptom improvement, masking days 6 through 10. More information can be found here: <https://www.cdc.gov/coronavirus/2019-ncov/your-health/isolation>.

Home is the best place for a child who is ill. Students with these symptoms cannot comfortably participate in school activities and unnecessarily expose others to their illnesses.
