

GiantCare - AN INEXPENSIVE, EASY WAY TO INSURE YOUR CHILD'S NEW COMPUTER!

Protection Plan Agreement - GiantCare

As part of their participation in the Chromebook program, all students and parents will have the option to purchase a protection plan against accidental damage of their Chromebook. We are calling the insurance plan GiantCare. For the school year, the cost of GiantCare is \$35.00 for students in grades 1 and 5 (these devices are new). For students in other grades, the cost of GiantCare will be discounted to \$20.00 (for a refurbished device). This **one-time cost** (which covers the computer for up to 4 years) is offered when a new Chromebook is assigned and is non-refundable. Under this plan:

Item	Replacement cost with GiantCare		Cost without GiantCare
	1 st Occurrence	2+ Occurrence	
Screen Replaced	Free	\$75	\$120
Keyboard Replaced	Free	\$60	\$120
Power Cord	\$20 (returned not working), \$45 (if lost)		\$45
Carrying Bag	\$10	\$25	\$25
Complete Device	\$100	\$150	\$225

Students will be responsible for the full cost of repair if it is determined that damage has been caused by intentional abuse and/or misuse. In the event of theft, a police report will need to be filed and presented for replacement. All fees or costs will carry over from year to year until fully paid. There are limited loaners available for use, on a "first-come, first-serve" basis. Families that are financially stressed may be eligible for a payment plan of the insurance fee. Parents may contact their Principal to inquire about this opportunity. This payment plan is in reference to the enrollment fee for GiantCare and all fees incurred under the plan would still be assessed.

YES! I would like the GiantCare Protection Plan! Please return this form with check or money order made out to Westampton Township Public Schools in the amount of \$35 for grades 1 and 5, or \$20 for all other grades.
