

October 2023

Good afternoon Preschool families of Collingswood and Oaklyn,

Believe it or not, it's almost November! In addition to celebrating last night's Phillies win, I hope that your family is enjoying the crisp air and all things pumpkin spice! At this point of the school year, we would like to take a moment to introduce a few members of the preschool team.

Pogo, our program's mascot seen above, will be supporting our staff during class puppet shows and through educational videos that will be shared with families throughout the year. He is a fan favorite and always brings along a few guests!

Our preschool coaches are also key members of our program and work hand in hand with your child's classroom teacher, instructional assistants and administrators to make for a successful school year. We encourage you to learn a little more about each of them by reading their attached introductions, below.

- [Lauren McCall](#) - Community and Parent Involvement Specialist (CPIS)
- [Christine Taylor](#) - Preschool Instructional Coach (PIC)
- [Sharon Dixon](#) - Preschool Intervention Referral Specialist (PIRS)

In order to help support our program, **we ask that you complete [this brief, anonymous survey](#) by next Friday, October 20th at 2:00pm.** The results will be critical in helping the preschool team work together to create goals specific for the 2023-2024 school year and appreciate your participation.

As always, thank you for your support! We look forward to a successful and joyful year with your family.

Have a great day,

The Collingswood and Oaklyn Preschool Team
