

Information about the driveway and parking layout

Bus Riders:

The buses will enter the campus through the bus driveway off East Main Street. The buses will drop students off at the entrance near the cafeteria.

Student Drivers:

Student drivers will enter the campus through the main driveway off R.L. McDougald Drive. They will turn right on the driveway (shaded green on the layout) leading to parking lot B. Student parking is in parking lot B. They will enter the building at the entrance at that location.

Student Drivers: What if a student is transporting an elementary school student?

The student driver will walk the elementary student to the cafeteria. We will have elementary school staff members in the cafeteria to escort elementary students to the elementary school area. At the end of the school day, those same students will wait in the cafeteria for the student driver to pick them up. We will have elementary school staff members supervising those students in the cafeteria.

Car Riders (Middle School/High School Drop-off and Pickup):

Parents/guardians will drop off and pick up their student by utilizing the loop that is shaded red on the layout. Parents will enter the campus through the main driveway off R.L. McDougald Drive. They will turn right on the driveway (shaded red on the layout). They will continue to the right and drop their student off at the main entrance for the middle school and high school. The driver will continue through the loop and exit back out the same way that they entered. The loop allows for one-way traffic. The driveway to the loop supports two-way traffic. The main Driveway also supports two-way traffic.

Car Riders (Elementary School Drop-off and Pickup):

Parents/guardians will drop off and pick up their student by utilizing the loop that is shaded orange on the layout. Parents will enter the campus through the main driveway off R.L. McDougald Drive. They will turn right on the driveway (shaded orange on the layout). They will continue to the right and drop their student off at the main entrance for the elementary school. The driver will continue through the loop and exit back out the same way that they entered. The loop allows for one-way traffic. The driveway to the loop supports two-way traffic. The main Driveway also supports two-way traffic.

Car Riders: What if I have students at multiple schools?

If you drop off and pick up students for multiple schools, you can drop them off and pick them up at the Middle School/High School entrance. When you drop them off in the mornings, we ask that the older student walk the elementary school student to the cafeteria. We will have elementary school staff members in the cafeteria to escort elementary students to the elementary school area. At the end of the school day, those same students will wait in the cafeteria for the older student to pick them up. We will have elementary school staff members supervising those students in the cafeteria.
