

MEET YOUR SCHOOL PSYCHOLOGIST

Ms. Emily Watts,
Doctoral Resident
Middle and High School Psychologist

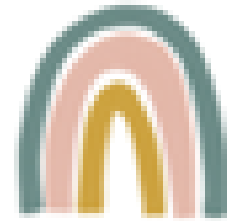

About me...

Greetings from your new MS/HS school psychologist!
It is my pleasure to join the Tonawanda City School District family. I look forward to working with you all to continue the district's tradition of providing a caring, positive learning environment for all students.

After earning my masters in School Psychology from Rochester Institute of Technology in 2010, I worked with families of children with developmental disabilities as a Community- Based Behavioral Specialist for several years. To further my skills, I went back to school and recently completed my doctoral studies in School Psychology at Syracuse University.

My specialties include **academic and behavioral interventions** in the classroom, **promoting social-emotional growth** in students, **recognizing and honoring all elements of diversity** in children and adolescents, and **consultation with teachers and families** on best supporting students' needs.

Fun facts about me:

1. I am a Billiever- Go Bills!
2. I love pickle juice and make a delicious pickle soup.
3. I've seen over 150 different music artists live.
4. Random facts are my specialty 😊
