Dear Parent/Guardian:

You have the right to know about the teaching qualifications of your child's classroom teacher in a school receiving Title I funds. Any local school district receiving Title I funds must notify parents that they may ask about the professional qualifications of their child's classroom teacher.

These qualifications include:

1. Whether the teacher has met the Ohio teacher licensing criteria for the grade level and subject areas in which the teacher provides your child's instruction.
2. Whether the teacher is teaching under emergency or temporary status that waives the state licensing requirements.
3. The undergraduate degree major of the teacher and any other graduate degree or certification (such as National Board Certification) held by the teacher and the field of discipline of certification or degree.
4. Whether your child is provided services by instructional paraprofessionals and, if so, their qualifications.

All teachers at Celeryville Christian School are highly qualified to teach their subject area or are working towards such certification. If you have any additional questions, you may request information by returning this letter to the school office. Be sure to give the following information with your request:

Child's full name: _____
Parent/Guardian: _____
Address: _____
City/State/Zip: _____
Teacher's name: _____

Sincerely,

A handwritten signature in blue ink that reads "Jacob Bush".

Mr. Jacob Bush
CCS Principal

This policy was adopted by Celeryville Christian School on August 10, 2023 and will be in effect for the period of one year. It will be accessible on the school website to all parents of participating Title I, Part A children on or before August 23, 2023.
