Annual Report Questions	
Question	Context/Guidance
<p>1. <i>What changes in behavior, actions, policies or practices have you observed related to SIA implementation during the 2022-23 school year? How do you see these changes contributing to the goals and outcomes in your SIA plan? (500 words or less)</i></p>	<p><i>Adding a full time Special Ed Teacher at the Elementary has improved Communication with families, allowed more flexibility scheduling meetings and created more time to create student specific lessons. Secondary Students have several elective offerings and class sizes are manageable due to the addition of an elective's teacher.</i></p>
<p>2. <i>What barriers or challenges to SIA implementation have you experienced that are helpful for your community and/or state leaders to be aware of?</i></p>	<p><i>Our community relationships are improving, we have been able to ramp up engagement and partner with other local groups who are also looking to up their community enjoyment post COVID.</i></p>
<p>3. <i>SIA implementation includes ongoing engagement with all students, focal students<sup>1</sup>, families, staff, and community partners. How have relationships with or between those groups changed and/or been maintained throughout this academic year?</i></p>	<p><i>Our relationships are improving, we have been able to ramp up our community engagement and partner with other community groups looking to do the same.</i></p>
<p>4. <i>As you think about what guided your choices and prioritization efforts in this year of SIA implementation, what stands out? How will what you've learned this year impact future implementation efforts?</i></p>	<p><i>The District is looking at adding more support staff as our enrollment is up and students need the small group/one on one support.</i></p>
