SUMMER VOLLEYBALL CAMP REGISTRATION IS OPEN

ABOUT MOUNT MERCY VOLLEYBALL:

Head Coach, Deb Marlin and her coaching staff invite you to register for a 2024 Mustangs Volleyball Camp. Our camps are directed by the Mount Mercy University coaching staff. Our athletes assist as camp court coaches.

Please use the Camps tab within the navigation to see camp dates, fees and registration information.

Mount Mercy University volleyball camps does cap each session at 60 participants to ensure quality touches and instruction to all of our participants. Our camps have grown to capacity and thus have wait lists for our camp sessions.

The NAIA Champions of Character program is an educational outreach initiative which emphasizes the tenets of character and integrity, not only for NAIA college students, but for younger students, coaches and parents in our communities. We all have a role in developing students of character, and the NAIA Champions of Character program offers training, guidelines and behavior models to create positive environments that promote personal growth and fun sport activity.

GENERAL SKILLS CAMPS:

The General Skills Camps are designed to train the fundamentals and introduce the team concepts of volleyball. Athletes will train with fun, but challenging drills and work specifically on hitting, setting, passing, defense, blocking, and serving. Drills will be both individualized and incorporated into a game-like team structure.

These camps are great for beginners, as well as challenging the more experienced volleyball players. All camp sessions are general skills sessions. Drills and games may vary and be adjusted based on number of campers attending. Athletes are welcome to attend multiple camps. Athletes will be separated on courts first by age and then by ability if necessary.
