Agenda

1. SHAC committee will need to approve or disapprove the sexual health curriculum for 7th grade health. Mr. Jones will bring the curriculum for our viewing. We will discuss the curriculum and vote for approval.
2. House Bill 3908 – Fentanyl prevention and drug poisoning awareness and education
 - a. Billy Koontz with the Lubbock Drug and Task Force (DEA) is willing to come speak to our students (and parents). There is no fee.
 - When would we like him to come? Would we like to include parents?
3. Immunization compliance
 - a. The state immunization report opens on 10/27 and closes on 12/8. We currently are 100% in compliance with 4 students on a make up schedule.
4. Stop the Bleed Training for students is scheduled for 11/16/23 during WIN period. UMC outreach will do skill check off. A video will need to be shown the day prior to skill check off.
5. Christian Pierce with Lubbock Health Department will come 11/16/23 to do a drug and tobacco lesson to our 4th and 5th grade students.
