**I. Consideration of Open Issues**

Sexual health curriculum was discussed and voted upon by SHAC members. Mr. Jones presented the proposed plan for the 11 day curriculum; see attached. Some classes will have boys and girls combined, while others will be separate. The class will be taught by Mr. Clif Farmer and Kayla Sherman. There is an opt out option for parents who do not wish for their student to participate in curriculum. At present time, it is unsure what the students who opt out will do during this class time.
