Lockney, Texas 79241

Present at Meeting: Brittany Duniven RN, Anna SanMartin, Dewayne Jones, Tyler Duniven, Sherri Reese, Kayla Sherman, Kristie Rehkopf, Mike Michaelson

The regular meeting of the Student Health Advisory Committee of Lockney Independent School District was called to order at 4:45 PM on March 20, 2024 at Lockney Elementary School by Brittany Duniven RN.

I. Consideration of Open Issues

1. Kayla Sherman, LISD's student success coordinator for Lockney Junior High School, spoke about her SEL (social emotional learning) class called, "The Homeplace." Students attend her class once a week to discuss a variety of topics and team building exercises. Topics that have been covered to date are: norms and expectations, service, mission and purpose, growth mindset, school climate, leadership, group communication, problem solving, belonging, identity, nutrition, emotional regulation, emotional reactivity, emotional intelligence, trust, core values, digital footprints, sexting, gratitude, relationships, personal space, intrinsic motivation, love languages and energy.
 - a. Kayla Sherman recently had a parent meeting the week before spring break. 7 parents attended and 1 parent zoomed in. Kayla would love for more parent involvement and engagement. She would also love input on topics to be discussed and addressed with the JH students.
 - i. Mrs. Sherman has created a website link for parents. Go to www.lockneyisd.net. Hover over "parents" on the button bar. Click the first option "Social Emotional Resources for PARENTS."
 - b. A mentorship program for our Junior High students was also discussed as an ideal and hopeful strategy to help our teen youth in LISD. At this point, we do not know logistics but it is an idea to keep brainstorming.
