

Profile Class of 2023

Chatham High School

50 Woodbridge Avenue
Chatham, NY 12037
(518) 392-2400
CEEBS Code: 331325

The mission of the Chatham Central School District is to provide students an education that nurtures intellectual curiosity and focuses on academic and cultural foundations. Our students will graduate with the knowledge, problem-solving abilities and character needed to participate ethically, adapt, succeed and contribute in their future educational, career, and community endeavors.

Community- The Chatham Central School District, composed of the Village of Chatham and several other rural communities, is located in Columbia County. The district is within a 30-mile commuting distance to Albany, New York. The village is a well-established community, residential in nature. One elementary school, one middle school, and one high school serve the approximately 950 students enrolled in Pre-K through grade 12.

School- Chatham High School is a public, comprehensive high school with an enrollment of approximately 350 students in grades 9-12. The student/faculty ratio is 13 to 1. Over 90% of our professional staff have a Master's Degree or higher.

Accreditation- The New York State Department of Education and the Middle States Association of Colleges and Secondary Schools.

Commencement Expectations- The graduate of the Chatham High School District is an effective communicator, a critical and creative thinker, a user of technology, a self-directed individual, a collaborative worker, and a contributing citizen.

Graduation Requirements for the 2022

English	4 Units	Social Studies	4 Units
Mathematics	3 Units	Science	3 Units
Health	.5 Units	Art/Music	1 Unit
Physical Education			2 Units
Second Language (Regents Diploma)			1 Unit
Second Language (Advanced Regents Diploma)			3 Units

Plus additional electives needed to meet the required 22 units

Regents Courses- English, Global History, US History and Government, Algebra I, Geometry, Algebra II, Earth Science, Biology, Chemistry, Physics, and Spanish.

Advanced Placement Courses- English Literature, Biology, American History, European History, World History, Calculus AB, and Computer Science A. (Pre-AP courses in English and Social Studies)

Dual-Enrollment- The following courses are available for students to earn college credit: Advanced Placement US History and Government, Spanish 4 and 5, Accounting, Psychology, Sociology, Computer Applications, Business Law, Environmental Science, and Economics.

New Visions Programs through Questar III: Students may earn college credit while completing a concentration in a career focused program at an area college or hospital.

Accelerated Programs- in Mathematics, Science, and Foreign Language begin for eligible students in Grade 8.

Grading System- A 100-point numerical grading system is in effect. Course grades are the straight numerical average of all quarter grades and final/Regents exams. Minimum passing grade is 65. A cumulative weighted Grade Point Average ("Wt GPA" on transcript) is computed for each student. This average is used in determining class rank.

Accelerated and Pre-AP final course grades are weighted 3%. All Advanced Placement final course grades are weighted 6%. The weighted Grade Point Average is computed as follows: each weighted grade is multiplied by its credit value; the grades are then totaled, and divided by the number of credits attempted. Student Rankings are reported in 5% intervals.
