2022-23 SIA Annual Report

ODE Annual Report Prompt	District Response
<p>1. What changes in behavior, actions, policies or practices have you observed related to SIA implementation during the 2021-22 school year? How do you see these changes contributing to the goals and outcomes in your SIA plan?</p>	<p>We have seen a decrease in discipline incidents on recess. We have also had our Contracted counselor booked up with kids and families, we have been able to add opportunities for kids for well-rounded learning opportunities and these have all allowed us to continue making progress on our goals. We have also been able to update our communication with the community and families by upgrading our reader board.</p>
<p>2. What barriers or challenges to SIA implementation have you experienced that are helpful for your community and/or state leaders to be aware of? What adjustments, if any, did you make to your SIA plan as a result of these challenges?</p>	<p>Change moves slowly, we are continuing the process of looking for better ways to give our kids opportunities.</p>
<p>3. SIA implementation includes ongoing engagement with all students, focal students, families, staff, and community partners. How have relationships with or between those groups changed and/or been maintained throughout this academic year? Consider the Community Engagement Toolkit https://www.oregon.gov/ode/StudentSuccess/Documents/69236_ODE_CommunityEngagementToolkit_2021-web[1].pdf and where your efforts might land on the spectrum as you complete your response.</p>	<p>We have continued making progress in our communication with our groups and our families. We have time for public comment at meetings and have worked with community groups. We have reached out to outside agencies for opportunities for our students.</p>
<p>4. As you think about what guided your choices and prioritization efforts in this year of SIA implementation, what stands out? How will what you've learned this year impact future SIA implementation efforts?</p>	<p>We want to pursue providing opportunities for our students. We aim to maintain and grow our counseling department and make our campus a better place.</p>
