

Subject: Be the First to Register for Kids Heart Challenge!

Our school's American Heart Association **Kids Heart Challenge** is coming soon! We are asking you to register for our **Kids Heart Challenge** team and help us reach our goal of 100% of our families learning the lifesaving skill of Hands-Only CPR. Last year, [5-year-old Phil and his mother, Megan](#), saved a life because they watched the Hands-Only CPR video (part of Finn's Mission).

Get started today and be the first at our school to complete Finn's Mission!

- **Register:** <http://www2.heart.org/goto/ClaremontAvenueElementarySchool> or download the free "AHA Schools" app.

Complete Finn's Mission: Watch the 2-minute Hands-Only CPR video featuring cardiac arrest survivor, Damar Hamlin, and watch a music video on the warning signs of a stroke (F.A.S.T.).

- **Share with Family & Friends:** Send messages via social media, text messages and/or email.

Don't forget:

****Students that raise \$150 will receive this year's Buster charm!***

****Students that complete Finn's Mission will receive special recognition and a chance to win a Warmie Avocado!***

****Your class can win a recess basket if your class has the greatest number of students register; have those greatest number of students that complete Finn's Mission; or have the class that raises the most life-saving donations!***

Together, we are building a legacy of lifesavers, thanks for your support!
