## **2023-2024 District Goals**

1. The District will continue to improve the efficacy of intervention-based programs and the deployment of appropriate personnel to facilitate students meeting grade level benchmarks.
2. The District will develop and implement processes and programs that maximize the ability of school counselors and student assistance counselors to meet the social and emotional needs of students.
3. The District will continue to integrate safety measures within our schools, including but not limited to school security officers and additional security cameras, to support administrators, staff members, parents, and students in maintaining safe learning environments.
