Dear Parents/Guardians,

Thank you for taking the time to register your child for the District's High Impact Tutoring Program. This program will provide students with virtual small group targeted instruction through the use of a live certified teacher. Due to overwhelming demand, the High Impact Tutoring program will start on a rolling basis, with the timeline outlined below.

Group	A	B	C	D
Start Date	March 4, 2024	March 11, 2024	March 18, 2024	March 25, 2024

Over the next few weeks, you will be notified of the group your child is in, as well as the specific schedule for your child's tutoring. In the meantime, as part of the High Impact Tutoring Program, your child will also have access to one-on-one On-Demand Tutoring. This virtual support can be used for homework help, or questions about classwork, in the content areas of Math, English Language Arts, Science, and Social Studies.

Starting on February 26, 2024, your child will be able to access On-Demand Tutoring through **Clever**, which is the District's platform for single-sign-on. The virtual on-demand tutors are available Monday through Friday, 9am-10pm; Saturday, 9am-7:30pm; and Sunday, 6:30pm-10pm.

We hope you take advantage of On-Demand Tutoring, which is an added bonus for students who signed up for the High Impact Tutoring that will begin on March 4, 2024. Below you will find directions for accessing the On-Demand Tutoring platform.

Best regards,
