THINGS ANYONE CAN DO AT THE LIBRARY AFTER SCHOOL

- Find a book to read from our collection - fiction, non-fiction, graphic novel, fantasy, history, adventure - we've got it all!
- Play board games, card games, or put together a puzzle
- Use the computers or access wi-fi
- Use a study carrel as a quiet place to study and do homework
- Enjoy a read aloud and quiet time w/ Mr. Petersilie for Chapter Club, Wednesdays 3:30-4:30pm

MORE THAN YOU'D EXPECT

Our library houses more than books, movies, TV shows, and CDs. We have a robust collection of board and table games, kits, art supplies, puzzles, electronics, and more! We allow people with a library card to borrow almost anything in our space. We also have supplies you can use in the library in our Makerspace:

- **Blocks, Legos, marbles, and gears:** Use your imagination & build your own structure, or marble course
- **Electricity & Magnetism kits:** Use batteries & wires to build a circuit and ring a bell or light up a lightbulb
- **Art supplies:** Color with markers, colored pencils, crayons, paint, and more
- Follow **templates & guidebooks**, or use your **imagination** to create anything!
