**SCHOOL BOARD MEETING
PROCEDURES**

Welcome and thank you for attending the School Board meeting. School Board meetings are held to conduct school board business and are open to the public. Non-board participants bring information, reports and recommendations to inform the board's decision-making. Members of the community are also invited to speak. Please review the community guidelines and speaker process below.

COMMUNITY GUIDELINES

- Please refrain from clapping or other public demonstrations of support or opposition.
- Please be respectful of others and their points of view.
- Out of respect to other community members, please remove your hat and turn off your cell phone before entering the meeting.

SPEAKER PROCESS

- Each individual requesting to speak must fill out a form online (before 6:00 p.m. on the day of the meeting) or in-person with the Clerk before 7:00 p.m. All requested information must be provided (name, physical address (no PO Box), and magisterial district). If the form is not filled out completely, you will not be recognized to speak.
- Speakers shall approach the podium (not beyond) and speak into the microphone.

- Each speaker should clearly state his/her name.
- All questions should be directed to the Chair. The Superintendent and members of the Board are not expected to respond to questions and responses to questions are made at the Chair's discretion.
- In order to hear from as many community members as possible, a three-minute time limit will be imposed.
- Speakers are encouraged to contact staff after the meeting regarding unresolved concerns or to receive additional information. Speakers with questions are also encouraged to call the Superintendent's Office prior to the regular meeting.
