Student Device Insurance

The district has made arrangements with Safeware, an insurance vendor, to provide parents/guardians with the option to purchase insurance coverage for their child's district-issued device to cover costs in the event the device is damaged or stolen. Please understand, that the insurance offering is through Safeware, and not through the district itself. The annual premiums for the school year 2023-2024 were set by Safeware. The costs are listed below:
