Dear CSMS Parents/Guardians:

On Friday, January 26th, students who have earned the ability to attend this year's REACH trip to Washington, D.C. will receive a letter inviting them to participate. Students earn this trip through good grades and participation in school activities and athletics. Students can additionally earn points toward this trip through participation in community groups and activities. If your child participates in a community club, sport, or community service, they must submit a letter from their organization on official letterhead stating their community service hours and/or club or sport participation. These letters should be submitted by January 24<sup>th</sup> to Ms. Pheifer in room 326.
