

Welcome back Teachers + Staff!

We hope you all enjoyed your summer break and are looking forward to the 2023-2024 school year. With several exciting experiences planned for students and efforts to show our appreciation for all that you do, we wanted to take a moment and connect with each of you.

### Help us put the T in PTA - Become a PTA Member for \$8

Your partnership means a lot to us and we hope you'll consider joining the PTA this year with our special discounted staff membership of \$8. While there are no expectations, we invite you to attend a meeting, join our private Facebook group or reach out on ways we can help show our support. This year, we invite you to purchase online with a credit card at the link or QR code below or if you prefer to pay via cash or check, you may do so using the accompanying paper form and place it in our PTA mailbox in the main office. We thank you in advance for your continued partnership and community spirit.

### Staff Spotlight - Help our community get to know you better

The PTA is proud to feature the Teacher + Staff Spotlight page on our website to help parents and students get to know a little more about you via a brief questionnaire. We hope this will inspire ways families can show their appreciation and we'll be sure to send reminders throughout the year on thoughtful ways they can continue their support. Each question is optional and can be updated at any time. You can review yours or check out your peers entire below. If you wish to submit a new survey, please use the link or QR below and we'll be prompted to add or replace with the most recent submission.

### Communicating with families with the help of the PTA

Our member-only private Facebook group and membership email portal reaches some of the most engaged parents and caregivers who would love to stay informed on all school happenings. From spirit days to special fundraisers, student clubs and opportunities to help or participate, we are happy to share any information you'd like with our members. With respect for your preferences and privacy you are welcome to post yourself or email us anything you wish to share and we are happy to post on your behalf. We also have a PTA mailbox in the main office and any letters, cards, emails or correspondence can be shared with members at one of our PTA meetings.
