21ST Century Grant After School Program Information and Surveys

The Rose Bud School District is applying for a 21st Century Community Learning Center Grant through the Arkansas Division of Elementary and Secondary Education. Funding from the grant will be used to provide free after school academic and enrichment services to our students in grades Kindergarten through 6th grade. The benefits of the 21st CCLC grant program includes:

- helping students meet the state and local standards in core academic subjects, such as reading and math;
- offers students a broad array of enrichment activities that can complement their regular academic programs;
- and offers literacy and other educational services to the families of participating children.

We will be surveying our parents, students and community for their input, in order to help us design an afterschool program that meets our community's needs. Participation in the attached surveys is completely voluntary and confidential. We will not be collecting email addresses. Should you choose to participate, please click on the survey(s) that applies to you. The deadline to submit a response is on Wednesday, February 14, 2024 at 11:59PM. Thank you for your help!
