Havana Community Unit School District #126 - R. Mathew Plater, Superintendent

---

To Parents with students that have an IEP:

Havana #126 School District has been chosen by the Illinois State Board of Education (ISBE) to be involved in a the Indicator 8 Parent Survey to determine how well schools throughout the State are involving parents in their children's education.

At the beginning of January 2024, parents of students with disabilities in our district will receive the survey in the mail by USPS. The picture below shows what the survey will look like so you know what it is when it arrives in your mailbox. The envelope will contain the survey and information on completing it. You will have options on how to complete the survey and it will be kept confidential.

Please take a few minutes to complete the survey online or through the mail, your participation is key in assisting with your child success.

Respectfully,  
Rhonda Cameron  
Special Education Director
