THE STARS KEPT PLEADING WITH ME TO FIND MY OWN IDENTITY

If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music he hears, however measured or far away.

THE MARCHING BUCS

FINALLY, THEY ALL PERSUADED ME

Don't be afraid to see yourself
As the you-that-you'd-like-to-be,
No matter how far removed from the real
That you-of-your-dreams may be.

Keep dreaming the dreams--hitch a
ride on a star,
Hold tight--never let yourself fall,
And one day you'll find the
you-of-your-dreams
Is the you-that-is-real, after all.

TO FIND MY OWN IDENTITY

I shall pass through this world
but once, Any good
therefore that I can do or any
kindness that I can
show to any human being, let me
do it now.
Let me not defer or neglect it,
For I shall not pass this way again.

ACTIVITIES

HOMECOMING PREPARATIONS

Coronation of the 1973 Homecoming Queen climaxed a week-long series of homecoming activities--gathering wood, float-building, dance preparations, band practice, snake dance, pep rally, and finally the bonfire. Everyone was in a jubilant state of anticipation and excitement.

On Saturday, the crowd-lined streets were greeted by the Marching Bucs, followed by the beautiful floats, spirited students and faithful alumni. The highlights of the parade were the lovely Homecoming Queen candidates: Sophomore, Kay Conrad; Junior, Debbie Cissell; and Senior, Nancee Rodewald.

Although the Pirates went down to defeat at the hands of St. Thomas Aquinas, their spirits remained undampened.

The Homecoming dance concluded the week-long activities, enjoyed by everyone and honored by the presence of the 1973 Homecoming Queen, Miss Nancee Rodewald and her court.

Karen Clements decorates the door before the dance.

The 1973 TUBA Dance was held on March 23, 1973, at the KC Hall. The theme of the dance was "It's In the Signs." Decorations for the dance revolved around astrology, signs of the zodiac, and the sun. Couples walked in through a doorway enhanced by a magnificent orange, yellow, and black sun. The walls were decorated with astrological posters. Mobiles hung from the ceiling as zodiac signs.

TUBA Queen, Miss Emily Lohmann, and her court were honored at the dance. Everyone danced to the sound of Savage Tenderness.

February is the month for love. At least that's the way it was at P.H.S. February was the month for the King and Queen of Hearts Dance. The Senior Class was represented by Miss Gail Abernathy and Mr. Steve Cissell. Miss Denise Favier and Mr. Robert Zahner represented the Junior Class. And the Sophomore Class was represented by Miss Joyce Taylor and Mr. Glen Huber. The dance was a big success, especially for the Sophomores. The Sophomores came out with the biggest attendance. Through their support, Miss Joyce Taylor and Mr. Glen Huber were the 1973 King and Queen of Hearts. The Court and others at the dance were entertained by Savage Tenderness. Although the Sophomores won, all three classes gave a terrific showing at the dance.

JUNIORS WORKED WEEKS AHEAD ON THE PROM

CAMELOT was the theme of the 1973 Junior-Senior Prom. It was held May 19, from 8:30 to 12:30, as juniors and seniors danced to the music of Fletcher. The unusual centerpiece was a spectacle to behold, a nine foot high dragon designed and built by the host junior class. May 19 was truly a night to remember.

"YOU'RE A GOOD MAN, CHARLIE BROWN"

FREE FARE

Cape's Sign-Out group entertained PHS students with contemporary songs stressing the need for love, charity, and kindness for us to live together in this world.

A series of skits based on the "Peanuts" comic strip was the basis for "You're a Good Man, Charlie Brown" as presented by SEMO University players.

A rock group, Free Fare, livened up PHS with music by Chicago and other popular groups, and performed humorous, surprising skits that were enjoyed by the student body.

The field--where battles are won or lost.

Coach Smith and the team at a pep rally.

The football Pirates started the season with a bang as they won four out of the first five encounters; they weren't expected to finish very high in the conference standings. However, the Big Green could only manage a 4-4-1 season record as they lost the final three games. The year's most upsetting defeat was the Homecoming game at the hands of St. Thomas Aquinas. Defensively, it was a successful year--four opponents were held to no score. The team saw three outstanding players make the 1st team of the SEMO All-Conference: Larry Mueller, Steve Meier, and David Meyr.

Several games were held in rain and mud-slick conditions.

The 1972-73 basketball year was quite successful this year for the Big Green of Perryville High. The Pirates ended the year with an almost .500 season. They came on extremely strong during the second half of the year to boost their winning margin. The Regional Tournament play was most surprising as the mighty Pirates slipped past the third seeded Festus Tigers. They then went on to trounce the sixth rated St. Pius Lancers. Second-seeded Crystal City ended the Pirates' hopes with a heartbreaking defeat in the semi-finals. The Pirates did manage one player to the SEMO All-Conference, Roger Brewer. Congratulations to the 72-73 squad, and best of luck to next year's team.

CROSS COUNTRY — PERRYVILLE THINCLADS

Although the nine man team for Cross Country was not in the number one spot, they showed their pride and determination to win by running seven miles a day or working out for two hours.

Perhaps many of you are wondering just what Cross Country is. Well, it is a meet, similar to a track meet but somewhat different. Usually five individuals participate from each school. The first five finishers from each school are the only ones considered for points. Then to determine the victor, you must add the total points with the runner who finished first receiving one point, second receives two points and so forth. You then take the first five finishers from each school and add up the points with the school having the least amount proclaimed the victor. So as one may see, it is indeed an individual sport as well as a team effort.

The "underestimated" Pirates is what they called the Perryville High School baseball team this year. They ended the season at 4-4, not a winning record, but not the losing record that everyone expected. All four losses were due to one bad inning where defense let down and the hitting just didn't click. The best game for the diamondmen was in the district games against Poplar Bluff where the team put it all together with effective pitching, solid hitting, and capable fielding. With the depth given by juniors and sophomores, Coach Gatlin is looking forward to a great season again next year.

PEP CLUB

The aim of the Pep Club is to provide an organized and continuous source of support and spirit for Perryville High School, particularly for the sports activities. Not to be the sole source of spirit, but a club to enthuse all the student body, including cheerleaders and members, and a means for interested students to attend away games.

The Pep Club has the concession stand at all basketball games. A float was entered in the Homecoming parade and the club sponsored a snake dance and pep rally at the bonfire. Several pep rallies were held through the year.

TUBA STAFF HAS A HECTIC SCHEDULE

The main project of the Tuba Staff is the production of the yearbook. The Staff attempts to produce a yearbook that is not only enjoyable, but also is a chronicle of all the activities that students have participated in throughout the year. The yearbook should also bring fond, lasting memories in the years to come.

This year a successful magazine sales drive was held during the week of November 14. The Tuba Dance was held on March 23 in honor of Miss Emily Lohmann, Tuba Queen for the 1972-73 school year. The Tuba staff held weekly meetings and through these and many other extra hours of hard work, careful study, effort, and sometimes even enthusiasm, the Tuba is edited.
