Looking Back 1893-1993

Nineteen ninety-three marks the one hundredth anniversary of Perryville High School. Over the years, the school has seen many different buildings, programs, organizations, and activities, as well as various students. To commemorate this monumental occasion, the yearbook staff has created this brief historical background of the school.

Above, the Old Senior High as it appears today.

Right, the Vocational Building as it appears today.

Special thanks to Ms. Billie Mills and Dr. Phillip Tucker for making this page possible.

After 8 Years, Secretary Gets Change Of Scenery.

Earlier this year, Bonnie Ehlers moved from the High School office to the Vocational office. We interviewed her before she left.

Q: How did you feel about transferring jobs?

A: I had mixed emotions about it. I was excited

about starting something new, but I will

miss the people I worked with.

Q: What will you miss most about your

former job?

A: I will miss the kids, Mr. Smith and the

teachers.

Q: What are you looking forward to most in

your new job?

A: New experiences, new things to do, and

new challenges.

Q: How would you like to be remembered by

people?

A: As someone who still cares about the kids.

Where did it come from?

Why is it here?

MORALE OR BUST

Above: When Dr. Steska gets hungry he'll go to almost any extent to get his food. He does it so well that Coach O'Neal is looking for a few pointers. Mr. Kuffel and Mrs. Gremaud seem to already have everything in perspective.

For weeks the PHS students have been walking the halls with fixed expressions on their faces. They are questioning what is going on, but everything is Hush-Hush.

Dr. Steska is walking around in a dazed delirium which is making the students worried. They knew something really big is coming, but no one has any idea what it could be. Finally Steska couldn't handle the pressure anymore, so he called all of the students together to discuss what is going on. He told us about the threats he is receiving from Big Al. The consequences are going to be steep if things do not change. In the midst of the discussion, mass confusion broke out when Big Al and his posse came in and took over control of the students. Slowly, but surely it all became clear to us. Big Al wanted more morale and he expected Dr. Steska and the students to work together to make it happen. Big Al knew exactly how it should be done and this is what happen:

Speech Club-Look Who's Talking

Dawn Renner shows her score to friend Pam Kiefer. She received eighth place at the contest.

The Speech Club participated in activities including a trip to Doniphan High School in December. There, the club observed other speakers. On March 20, junior Dawn Renner competed at Southeast Missouri State University, where students from all over the District spoke. There, she placed in the top eight. After school meetings and practices were also a part of the club.

Above is junior Angela Nordman, member of the club.

Above is Ms. Kathy Wilson, advisor of the club. Her favorite part of the club is, "Getting to go to other schools and watching the different performances."

Dawn Renner's favorite part of being in Speech Club is, "Going to the meets and meeting people."

Pirate Puns -- Looking For News

Angela Nordman believes Kristy LaRose is number one.

Dawn Renner, first semester editor, looks at the layout carefully.

The Pirate Puns published five issues this year. They were distributed in October, December, February, April, and May. The class learned how to interview, write news stories, layout articles on computers, and distribute the paper. Along with these duties, the group also did work out of the textbook. The inclusion of the Puns in the local paper was a new facet of this year's publication.

Valerie Rose, second semester editor, digs frantically through her purse for her news story.

Commons - *Looks Like That's It*

Because of an overflowing student population, one of PHS students' favorite classes will come to an end. Commons has been a place for socializing and fun, but, in recent years, supervision has become an insurmountable problem. Because of this, starting with next school year, Commons will be used only as a lunch facility. In order to incorporate this change into PHS life, scheduling will undergo a major change. Block scheduling will be introduced; students will be required to take eight hours of academic classes over a period of two days. Thus, we eliminate Commons and must say goodbye to a much-enjoyed tradition.

Two Sophomore members of the junior varsity volleyball team show their excitement after winning the game. Amy Trapp (left) felt that the volleyball season helped some friends who do not get to see each other much become closer. This happened in practice, as well as during games as the teammates pulled together through good and bad times. Kim Ruessler (right) also stated that good friends were created throughout the season as they had a great year with lots of fun.

He Is Not Dead

I cannot say, and I will not say
That he is dead. He is just away.
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since he lingers there.
And you-oh, you, who the wildest yearn
For an old-time step, and the glad return,
Think of him faring on, as dear
In the love of There as the love of Here.
Think of him still as the same. I say,
He is not dead - he is just away.

James Whitcomb Riley

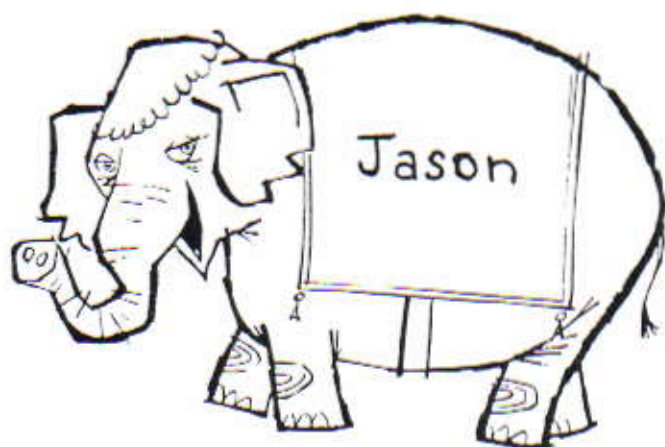

FRIENDS

Packing up the dreams God planted in the fertile field of you,
Can't believe the hopes He's granted means a chapter in your
life is through.

But we'll keep you close as always; it won't even seem you've gone.
'Cause in our hearts in big and small ways, we'll keep the love that
keeps us strong.

And friends are friends forever if the Lord's the lord of them.
And a friend will not say never 'cause the welcome will not end.
Though it's hard to let you go, in the Father's hands we know,
That a lifetime's not too long to live as friends.

Straight from Ms. North's room, this elephant is for you Jason.

"Our main goal for the Season was to have fun- anything else was icing!"

Our Junior Varsity really showed us what they could do by their fifteen and six record. The eight sophomores were all outstanding! The Jackson game had to be the highlight of the season. The team had lost the first game, and were losing three to thirteen in the second game. With all the hard work and team spirit they came together and pulled it

off. The Freshman team was one and four this year. They did not have enough games to keep records on but they had some outstanding prospects on the team.

Lori Schlimpert, the JV outstanding player, shows how much hard work and dedication pay off.

The JV Volleyball Team (L to R) Front- Becky Koenig, Lori Schlimpert, Amy Trapp, Kelly Stueve. Back- Coach Linda Schumer, Rachel Vernon, Shannon Breig, Kimberly Russler, Glenda Kaempfe.

Perryville Pirates feel totally lucky to have Patty Koenig (below) on our side. Whoever said she can't jump, never saw her play.

The Lady Pirates volleyball team's main goal was to be competitive. They had no returning starters, and inexperience showed at times with new players and a new head coach. The Lady Pirates were competitive but finished with a 6-20 record.

Coach Steffens stated that the team leaders for the 1992 volleyball season were Lisa Favier, Patty Koenig, Amy Winkler, and Amber Burroughs. Finishing the season with the most kills was Gwen Ernst; she accumulated a total of 89. The assist leader for the season was Amy Winkler with a total of 141. The leader in scoring for the season was Michelle Thieret. She did this by scoring an outstanding number of 156 points. Patty Koenig led the team with 72 digs. Koenig was also the team leader in aces with 23.

When asked about the team's strong points for the season, Steffens stated, "Defense, we played defense well all season." He also said, "Inexperience was the weak point." Coach Steffens stated the highlight of the season was beating North County in the first round of districts.

The Volleyball Pirates will be losing 5 strong seniors from their roster next year: Amy Winkler, Amy Rhodes, Lisa Favier, Patty Koenig, and Michelle Thieret. Even with these losses the Lady Pirates will hope to improve next season with a group of strong players returning.

The 1992 Lady Pirates Varsity Volleyball team (Front L-R) Amy Rhodes, Lisa Favier, Patty Koenig, Shandy Scholl, Amy Reisenbichler, Michelle Thieret, (Back L-R) Coach Linda Schumer, Tracy Schmidt, Amy Winkler, Gwen Ernst, Jamie Sutterer, Amber Burroughs, and Coach Tim Steffens.

Freshmen "Never Quit"

"Never Quit" was the motto for this year's freshmen football team. Under the new coaching of Mr. Rhett Oldham and Mr. Jeff Steffens, that's exactly what they did. After winning the first two games of the season the freshmen lost their first game. Not giving up, they came back to win two out of their next three games. Coach Oldham Said, "Everyone was interested in playing well for the team."

Although some individuals stood out, I did not see any jealousy. I am proud of NOT only their record, but also of their great attitudes."

Freshmen award winners at this year's banquet are: MVP- Masanori Hirose, Best Offensive Player- Mark Trapp, Best Receiver- Robbie Davis, Best Defensive Player- Brandon Pecaut and Roy Richardet.

"I thought it was a very successful year for us, and it would have been better except for injuries."

The Perryville Pirates officially opened their 1992 season on August 28 with the annual soap game and lift-a-thon. The Pirates started off with a win over the Fredricktown Blackcats but then their first loss of the season from the Dragons of Ste. Genevieve. Not giving up the guys came back to win their next four games. After this, they just couldn't seem to pull things together and lost the last four games. Probably the most memorable win of the season was on Homecoming night when, in the final seconds of the game, the Pirates scored a touchdown to win the game 21-19 against Charleston. Even though the didn't end on a winning note, the guys showed great attitudes and sportsmanship.

"I thought it was a very successful year for us, and it

would have been better except for injuries," said junior Eric Warren.

On the individual level, the awards were plentiful, and the honors were high.

Awards at the banquet were presented to Eric Warren, Kyle Riney, Adam Hoehne, Chris Roberts, Jon Koenig, Chris Kiefer, Ben Baer, Scott Dobbela, Robert Shamburg, Ted Haertling, Jason Mattingly, Jared Kutz, Brian White, Kevin Robinson, Randy Clifton, and Jason Schamburg.

Earning spots on the All-District Team were Chris Roberts, Adam Hoehne, Kevin Robinson, Eric Warren, Jon Koenig, and Nathan Adams. Kevin Robinson and Eric Warren were also named to the All-State Team. This was Kevin's second year to be chosen for All-State.

This year's JV girls' basketball team finished the season with a record of 13-8. They also were able to play 3 games in the Cape JV Tourney and Perryville Tourney. They placed second in the Cape JV Tournament at the beginning of the season.

The way the girls got along as a team played an important role in how they played in a game. A weak point in the season was when in tight games they lost control, and couldn't play defense as well in the past. Overall the team played well on offense and defense. Mandy Guth, Carrie Kiefer and Dana Bock were all strong spots on offense. On defense Carrie Kiefer and Jennifer Littleton showed blocking abilities while Mandy Guth and Kate Klaus played hard defense against the opponent. Coach Vicki Lohmann states, "I feel we should have won a few more games, but overall I was pretty happy with the progress of the freshmen."

The season ended with a Banquet at the Country Kettle. The JV girls that were awarded were Mandy Guth; Most Improved and Ms. Hustle, Deanna Leimbach; Best Free Throw Percentage. Carrie Kiefer; Best Field Goal Percentage and Most rebounds and Amy Trapp; Ms. Defense.

With a lot of hard work and determination, the Lady Pirates turned things around from playing poorly in the John A. Logan Shoot-Out at the beginning of the season to winning the district championship. With some goals in mind the Lady Pirates fell just short of going to State by losing 37-40 in the semifinal game to State.

Amy Reisenbichler tied the school record for the most 3-pointers in one game with 7. Tori Taylor, Amy Hoehn, and Jennifer L'Hote were named to All-State, and Jennifer L'Hote received Academic All-State.

To help their team to a 21-10 record, Amy Hoehn, Tori Taylor, Jennifer L'hote, and Tracy Schmidt filled the strong spots on offense. But defense was also a big key to win which came from Kim Hogard, Amy Reisenbichler, Jennifer L'Hote, and Dawn Bock.

"We turned a so-so season around into a very good one by winning 21 games and a District Championship. I was very pleased with the way the team turned things around," states Coach Wunderlich. After the season, the team held an award banquet.

The Perryville Pirates J.V. Basketball team was very competitive throughout the season. The outcome didn't turn out that well this year but the team had a great deal of spirit and hope. When asked; Coach Eftink said "the strong point of the season was the never quit attitude of the players." The weak point of the season he said had to be the rebounding. Their main goal was to be competitive and the best that they could be. The highlight of the season was when the freshmen team defeated Flat River by 20 points. All in all, they hope to come back with their "never quit" attitude and turn it into a winning attitude.

With a new coach, the Pirates needed to set different goals to take them to the top. The new goals were to improve in every game, to have a winning season, and to place in all the tournaments. Although many personal goals were met, the team fell short.

The Pirates had wins against Farmington, North County, and St. Vincent's and came close to beating Sikeston and Notre Dame in overtime. Tim Schaupt scored a career high with 33 points against Bloomfield, hitting seven 3-pointers to tie the school record. Kurt Garriss had seven slam dunks in the season to help his team to a 10-15 record. Injuries hurt the team throughout the season.

With Kurt Garriss and Tim Schaupt as leading scorers, Jared Cattoor leading in assists, and Chris Brown with the most offensive rebounds, they helped their team on offense. On defense Andrew Koenig led with the most charges; Tim Schaupt had 65 steals, and Kurt Garriss led in blocks.

"This team was fun to coach all season long. Our team worked hard, improved, had fun, and played good basketball against a tough schedule," quoted Coach Rhett Oldham.

The 1992 Lady Pirates' Softball team had a new coach this year - Coach Lynn O'Neal. The girls started out their season with a win over St. Vincent's, but then suffered three straight losses. The Ladies fought back to have a winning season and even to capture third place in the Sikeston Tournament. The girls finished their season with a record of 8-6.

There were many memories made during the season, such as new friend-

ships and various wins, but probably the one that sticks out the most was beating Cape Central. Cape went up early 9-0 but the Ladies held them for the rest of the game to win 10-9.

"This has been the best year in softball because we actually won more than we lost. I enjoyed playing with everyone on the team, and I am going to miss everyone. I hope that next year does a good job and enjoys it as much as I did," said senior Michelle Thieret.

PIRATES POST WINNING RECORD

The 1993 Perryville Baseball Pirates went 9-5 for first year Coach Dennis Glueck. The season was highlighted by an explosive offense, and a strong pitching staff. The team played only 14 games because of rainy conditions.

The baseball Pirates certainly hit the ball well during the 1993 season. Five different Pirate players hit over .300 including Randy Clifton (.478), Kyle Riney (.372), Brent Palisch (.351), Jamie Schilling (.343), and Jared Cattoor (.311).

The Pirate Pitching Staff was handled by Andy Koenig, Randy Clifton, and Kyle Riney. Koenig and Clifton each won three games, and Riney won two. Clifton led in strikeouts with 39. Koenig had 27,

The starters on the team were Tim Schumer at catcher, Kyle Riney at first base, Eric Warren at second base, Brent Palisch at shortstop, Mark Barber at third base, Randy Clifton in left field, Jared Cattoor in center field, and Jamie Schilling in right field.

Ladies' Track Team Meets Goals

The 1993 Perryville Lady Track team had a lot to cheer about. The Lady Pirates' goal was to be competitive and win, or come close to winning every track meet in 1993. They accomplished this feat and were competitive all year.

Not only was the 1993 team

competitive, but they had great individual accomplishments as well. In fact six Pirates made it to the state competition. The six who competed in state were Holly Sutterer, Jennifer Rhyne, Carrie Fritsche, Missy Fritsche, Mandy Guth, and Laura Brown.

The 1993 Lady Pirate team had three seniors on the team, Holly Sutterer, Patty Abernathy, and Lela Yamnitz. They had a small senior track squad, but they were long on experience, and accomplished much. They were coached by Mark Smith, Jay Smith, and Steve Kuffel.

Golden Moment

This Year's Apple of our Eye
Joyce Moll

Every year the students of PHS pick a teacher who they feel has done an outstanding job in teaching. This year's winner of the Golden Apple Award is Mrs. Joyce Moll. All teachers know how difficult getting students to learn can be at times. Mrs. Moll, you have put up with silly questions, lame tardy excuses, and water and bathroom breaks. Somehow along the way, you managed to help us students understand things we never thought possible. The Student Body would like to say thank you and congratulations.

Every year Homecoming is the most anticipated event of the fall season. The Home-

coming activities started with court elections. From all of the nominees the 1992 Court was formed. Here are statements which we received from some of the candidates.

Simsouda Mahathath: "When I first found out that I was one of the two finalists, I first

thought, 'Oh my God, I actually have to wear heels and a dress! What am I going to do if I trip down the field?'"

David House: "I was really excited about Homecoming because I was in it with the person that has been my best friend for nine years. I thought it was the

best experience I've ever had."

Katie Klaus: "My favorite part about Homecoming was looking for a dress with my mom and David." "I was surprised I got Homecoming because I came from a different school, and I didn't know many people, but I was and still am happy for representing the Freshman class."

Jeff Layton: "I really thought Homecoming was awesome! The parade was neat, I didn't even have to put on a fake smile. Seeing all my friends and these little kids waving at me made me smile so much my cheeks were numb. Being on the court for Homecoming is something you can't forget."

Chasity Fraker: "I felt very honored to be a part of the Homecoming Court and my family, friends, and Steve supported me through the whole thing."

Ted Haertling: Homecoming was a really fun experience for me. It was the first time I've ever been that important and it really was fun. The parade was probably the best part getting to ride on the convertible and waving to everybody. The whole weekend was a really enjoyable experience, and I'm glad I got the chance to be part of it.

Tracy Schmidt: "Homecoming was so much fun. I didn't really expect to be chosen, but when I found out and who was on the court. I was totally excited. Ted was a great partner, and I'll never forget it."

PHS THIRD IN STATE

For the first time in PHS history, our men's track team placed third in the state track meet. This is an even more impressive feat when one takes into consideration the fact that our team consisted of only three members. Kevin Robinson was the state champion in two events. Kevin threw the shot 60'3.5" and the discus 154'9". Damian Erzfeld was second in two events. In the 1600M, Damian turned in a time of 4:19.78, and in the 3200M, Damian's time was 9:41.36. Kurt Garris took third in the triple jump with a distance of 47'2.5" and sixth in the long jump with a distance of 22'5". Also qualifying for state competition was the girls' 4x800M relay team, consisting of Missy Fritsche, Carrie Fritsche, Mandy Guth, and Laura Brown. Jennifer Rhyne qualified in the high jump, and Jeremy Boxdorfer in the pole vault. Pictured at left are the state competitors. As has happened in the past, the state meet fell on the day of our graduation exercises. Seniors Kevin Robinson, Damian Erzfeld, and Kurt Garris were presented their diplomas on the steps of the state capitol by Lt. Gov. Roger Wilson.

Save The Best For Last

The night started out with couples getting dressed up in their prom gowns or tuxedos and going to an elegant restaurant. The dance began at 8:00 P.M. at the Legion Hall. The decorations consisted of beautiful purple, pink,

white, and blue balloons. The theme of the evening was "Save the Best for Last." The dance came to an end at 11:00 P.M. From there everyone went in their own separate directions. These times will never be forgotten.

PREVALLET AND INMAN TAKE TOP HONORS

Though the sky was overcast, the one hundredth graduation from Perryville High School was held outside for the first time since 1989. Kim Prevallet, as valedictorian, and Eric Inman, as salutatorian, each addressed their class.

Kim Prevallet, daughter of Mr. and Mrs. Dale Prevallet, earned the top spot in the class of 1993. In school, Kim enjoyed band and jazz band where she played the trumpet. Scholarships Kim received included the University of Missouri Curators' Scholarship and the Bright Flight Scholarship. Kim enrolled for the fall at the University of Missouri-Columbia and plans a career in biochemistry.

Eric Inman, son of Mr. and Mrs. Kenneth Inman, was the salutatorian for the class of 1993. At school, Eric was involved in drama, scholar bowl, and band where he was in the percussion section. The Cardinal Gibbons Scholarship and the Knights of Columbus Scholarship were among the ones earned by Eric. A course of study in architecture at the Catholic University of America in Washington, D.C., is in Eric's plans.

Perryville High School congratulates these and all our graduates.

You are a lifetime friend, Perryville High, and I thank you!
