internet access. The program reinforces and enriches students in reading, math and basic skills. The Norway Community Building is an access point for the school district so students can log in with their Chromebooks and do assignments. Busing is available to drop students at the building after school. Parents are responsible for pick-up.

Please be aware that this is NOT an after school daycare. The students are expected to have homework to complete. A light prepackaged snack is provided.

MISSION STATEMENT OF THE NORWAY AFTER THE BELL CONNECTION PROGRAM

Norway After the Bell Connection is dedicated to providing a safe and supervised location for Internet access for the students of our community. Together we will be bringing the love of God to our children, our community, and our world.

A safe, secure, internet available facility staffed with capable and caring adults.

This program is free of charge and supported by a grant from the United Methodist Foundation of Northern Illinois Conference and other community churches, organizations and individuals.
