MISSION STATEMENT

The Mount Baker School District, working with the community, will provide a strong educational foundation upon which all students can build their futures as productive citizens in our changing world.

Your Mount Baker School Board of Directors is composed of five elected citizens; they are elected by district voters for four-year terms. Board members serve in an unpaid, voluntary capacity. Although directors are elected to specific areas, they collectively represent the entire district.

Board authority is established by the Washington State legislature. Your Board acts under the direction and restrictions of the law. The Board's legal responsibilities are to:

- Establish general policy for the school system;
- Employ school personnel upon recommendation of the Superintendent;
- Adopt and revise the annual operating budget;
- Inform the public of the needs and progress of the educational system;
- Exercise the legislative powers conferred or implied by the legislature in administering school functions;
- Select the Superintendent of schools.

Regular Board meetings are held on the 2nd and 4th Thursdays each month.

Meetings are open to the public; the public is invited and encouraged to attend Board meetings.

We acknowledge that MBSD is located on the ancestral homelands of the Coast Salish Peoples, (i.e., Nooksack & Lummi Tribes), who have lived in the Salish Sea basin, throughout the SanJuan Islands and the North Cascades watershed, since time immemorial.

27	28	29	30			F2S Harvest of the Month 

Students ages 5-21 may attend Mount Baker Schools. Registration takes place at your neighborhood school. The school principal makes the teacher assignment.

Parents of students entering the School District need to provide:

- **Proof of immunizations;**
- **A birth certificate;**
- **Students transferring from another district should provide transcripts from the previous school to help in determining the appropriate grade placement.**

Outside the District Transfer

Students wishing to attend a school outside Mount Baker School District may seek release by completing the application for attendance in a nonresident district. "Release/Choice Application" forms are available at the District Office, School Office or on our website www.mtbaker.wednet.edu

Inside the District Transfer

Students are expected to attend the school designated for their respective residential areas; however, a parent or guardian may request that his/her child be allowed to attend another school in the District by completing an Intra-District Transfer form.

The following factors are taken into consideration when the District determines student transfers:

- Each student's educational program;
- Neighborhood groupings;
- Location of siblings;
- Location of parent's place of work or childcare.

In all cases, transportation to and from school outside the designated attendance area is the responsibility of the parent/guardian. Any student who develops a pattern of tardiness, non-attendance or discipline issues will have their transfer rights revoked. Requests for school change are effective for one year only.

Buses and Safety

Information about bus routes is posted on the school district's website at: www.mtbaker.wednet.edu/trans/bus_routes.htm

All students living more than one mile from their neighborhood school may ride the bus. This criteria has been established by the state of Washington, which along with the Mount Baker School District, provides the funding for school bus transportation.

School Bus Rules

- Children riding school buses are under the capable supervision of qualified bus drivers. Safety is the foremost concern of the school district and our bus drivers.
- Each day, drivers see that every child is picked up from and delivered safely to his or her designated bus stop. Please ensure your student(s) are out at their designated stop at least five (5) minutes before the scheduled bus arrival time. Parents and guardians are not allowed on any of the buses.
- Each school office needs written parental permission in order for their child to ride a different bus or to depart their bus at a stop or location other than their designated bus stop. The note needs to contain the following information: Student's name, name of where they are going, address (this is **very important**, so a sub bus driver knows exactly where to drop them off), and how long the note is for (today only, rest of the school year, etc.) If a child is unsure of her or his bus stop or is on the wrong bus, the child will be returned to the school and the parents contacted.
- Bus drivers are responsible for the safe conduct of students and are in full charge of the buses. Students are responsible for their own behavior. Failure to follow district rules may result in suspension of transportation privileges.

Health Conditions

Children with life-threatening health conditions must have an Emergency Health Plan (EHP). These conditions include, but are not limited to the following medical diagnoses: severe allergic reactions requiring an EpiPen such as allergies to insects, to foods or to environmental allergies; severe asthma; diabetes requiring insulin; and seizures requiring an emergency medication. A life-threatening health condition is one that puts your child in danger of death during the school day if a medication, a treatment or an EHP are not in place. On or before the first day of school, the parent/guardian of children with life-threatening health conditions must provide the District Nurse with a copy of the current medication orders or treatment plan for the current school year signed by the physician and by the parent/guardian. Necessary medications and equipment must also be provided at that time. The District Nurse and parents/guardians will develop a confidential EHP that is shared with teachers and staff who interact with the student daily. If the child participates in school sponsored sports or activities, it is up to the parents/guardians to inform the coach or staff charged with the activity of the health condition(s) prior to beginning the sport or activity. The EHP will also be shared with the coach or staff person in charge. Children with non-life threatening health conditions who may or may not have medications at school may need an Individual Health Plan (IHP). The District Nurse will develop these plans with input from the parent/guardian and will update all Health Plans annually.

Participation in Athletics

All students participating in athletics are required to have a physical examination and health insurance before participating in Washington Interscholastic Activities Association (WIAA) programs. Call Athletics office: (360) 383-2019. <https://gobakerathletics.com/>

Immunization

Upon registration, parents/guardians must provide the school with current immunization records or a physician signed Certificate of Exemption. Temporary medical exemptions may also be submitted and signed by the physician when a child is in the process of catching-up immunizations, or due to medical treatments that prohibit the child from receiving immunizations. These can be on-going and the physician will provide a date for the length of time that the medical exemption is in effect. Per State law and District Policy, parents/guardians have 30 days from the first day of school to provide the school with current immunizations or a Certificate of Exemption. After 30 days, the child may be excluded from school until receipt of the information.

Health Screenings

Mount Baker School District provides State mandated annual vision and hearing screenings for children in Kindergarten, 1st, 2nd, 3rd, 5th and 7th grades. We also provide screenings for new students, for special programs health assessments and for any child showing signs or symptoms of a vision or hearing loss per request from a parent/guardian or teacher. After the screenings are complete, referrals will be mailed home to those students with possible concerns. The referral contains information for the parent/guardian to share with a health care provider. If you do not receive a referral, your child passed the exams.

Medications

For any medications at school, a school form signed by the child's healthcare provider and by the parent/guardian must be on file with the school. This form must be updated every school year as health conditions requiring medications change rapidly. For the safety of everyone, medications should be delivered to the school by an adult and must be in the

original container. All medications at school, either over-the-counter (OTC) or prescribed must have the supporting signed paperwork per State law and District policy.

The District Nurse

Mount Baker School District employs a certificated District Nurse who is a Registered Nurse. The District Nurse works with Licensed Practical or Vocational Nurses in supporting the health needs of students within the District. The nurses rotate between schools based on health needs. You may also call your child's school and the secretary will forward your message or concern.

Annual Notifications

Federal Non-Discrimination Laws

Federal Non-Discrimination Laws: The Mount Baker School District 507 complies with all federal and Washington State Rules and regulations and does not discriminate on the basis of age, race, religion, creed, color, national origin, gender, marital status, sexual orientation including gender expression or identity, or the presence of any physical, sensory, and/or mental disability, or the use of training dog guides or service animals by a person with a disability, honorably-discharged veteran or military status or any other basis prohibited by law. The district will provide equal access to school facilities to the Boy Scouts of America and all other designated youth groups listed in Title 36 of the United States Code as a patriotic society. Inquiries

regarding compliance and/or grievance procedures may be directed to the Title IX Officer/Affirmative Action and ADA Coordinator, Jessica Schenck, Mount Baker School District, PO Box 95, Deming, WA 98244, or by calling 360-383-2000.

Federal Impact Funds: The District receives some federal funds for students living on non-taxable land. Parents of these students have a right to comment on the use of these funds at a regular school board meeting which is usually held in January of each year. Questions about the application process, the use of these funds & the date of the meeting may be directed to Jessica Schenck, Superintendent at 360-383-2000.

Distribution of Materials to Students

Distribution of Materials to Students: A variety of information comes to the school district with the request that it be distributed through the schools. If the material is perceived as in alignment with the school district's mission for families, and a service or event that would be of interest to families, approval is given for distribution. Please note, however, the district does not sponsor or guarantee any of

the information in these materials. Parents and guardians must review the information and decide on its appropriateness for their family as an individual decision.

Please call your child's school if you have questions about materials that have been distributed to your student.

Asbestos Management Program

Asbestos Management: The annual Asbestos Management Program training and inspection has been completed. Federal law requires that notification be given to patrons, students, employees, and workers about the location of asbestos, the potential hazards, and the procedures being used to manage asbestos. A management plan is available in each building for

unrestricted review by the Environmental Protection Agency, state officials, the general public, school employees and parents of students.

Contact the Superintendent at 360-383-2000 for further information.

I.D.E.A.

Individuals with Disabilities Education Act: Information related to the district's application for and receipt of federal funds for students with disabilities under IDEA is available on request. Please contact the Special Programs Director at 360-383-2012.

Pesticide Control

The District's comprehensive pesticide/herbicide control policy includes:

- What pesticides may be applied on a regular basis;
- Where pesticides may be applied;
- Advance notification details;
- Where and how parents may obtain information.

For a complete copy of the District's policy, as well as the annual summary for the previous school year, please contact the Maintenance Department at 360-617-4602.

District Water Systems

Deming, Harmony, and Kendall campuses each have their own water system, which is operated by the District. State mandate requires that we have available a consumer confidence report explaining each water system and the water quality for that system. These reports are available upon request from the Maintenance office. Please call 360-617-4602 for further information.

Notice of Teacher Qualifications

Teachers in the Mount Baker School District meet the federal guidelines as Highly Qualified. Parents may request information as to the specific professional qualifications of their child's teacher by contacting their school principal. In addition, the school's annual report card, including teacher qualification information, is located on the district website.

<http://www.mtbaker.wednet.edu>

Child Find

Child Find: Federal Public Law, Individuals with Disabilities Education Act (IDEA), requires that disabled children in the Mount Baker School District, ages birth to 21, be identified, located and evaluated. If anyone suspects that a child (age birth to 21) has a disabling condition, and if that child resides in the Mount Baker School District, please contact the principal at your local school or the Special Services Office @ 360-383-2012. Upon referral, the special services staff will make the appropriate follow-up.

Public Participation Encouraged

Participation Encouraged: Parents and Community Members are welcome and encouraged to review any of the district's grant applications, policies, procedures, program plans, reports and evaluations. Specific grant information is shared with the public at an annual grants meeting held in conjunction with the regular school board meeting in July. Public participation and input in our planning processes is solicited and appreciated. Please contact the Superintendent's Office: 360-383-2000 or the Special Services Office: 360-383-2012 to make your interests known.

Family Educational Rights and Privacy Act (FERPA)

FERPA: Educational agencies to which funds have been made available under any program administered by the Secretary of Education must comply with the Family Educational Rights and Privacy Act (FERPA). FERPA affords parents and students certain rights in regard to the student's education records.

As a requirement of FERPA, educational agencies must inform parents/eligible students of the following rights:

- The right to inspect and review the student's education records.
- The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading.
- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirements of FERPA.

The name and address of the office that administers FERPA is:
Family Policy Compliance Office
U.S. Department of Education
400 Maryland Ave S.W.
Washington, DC 20202-5920
Please call the Superintendent for further information: 360-383-2000

Student Information Disclosure

Information Disclosure—
School Board policy provides that directories of names, addresses and telephone numbers of students and students' parents or guardians may be released to organizations or individuals representing organizations that have a direct affiliation with one or more schools and/or programs. Examples of such organizations include PTA, PTO, Booster's Clubs, etc.

Guardians may specifically request no release of information to the military (high school only).

Also, at times during the year there may be opportunities to publicize our students involvement in activities or projects at school. This could include photographs. We encourage this chance for your students to 'show off' their talents.

If you do not want such information to be given to school-affiliated groups or the media you can stop by any school office and complete a 'Privacy Information Form.'

Military Recruiters

Please note that the Mount Baker High School is required to:

1. Give military recruiters the same access to secondary school students as provided to post-secondary institutions or to employers.
2. Provide students' names, addresses and telephone listings to military recruiters, when requested, unless a parent has opted out of providing such information

The Military Recruiter Guidance is on the FPCO Web site at: <http://www.ed.gov>. (In the search window type in the words military recruitment.)

Annual Nondiscrimination Notification

The Mount Baker School District/State-Tribal Education Compact (STEC)/Skill Center does not discriminate on the basis of sex, race, color, national origin, disability, or age in its program or activities. The Mount Baker School District/State-Tribal Education Compact (STEC)/Skill Center offers classes in many career and technical education program areas (provide a brief summary of CTE program offerings) under its open admissions policy. For more information about CTE course offerings and admissions criteria, contact Todd Rightmire, CTE Director, 4936 Deming Rd, Deming WA 98244, 360-383-2015. Lack of English language proficiency will not be a barrier to admission and participation in career and technical education programs. The following people have been designated to handle inquiries regarding the nondiscrimination policies:

Jessica Schenck, Superintendent

4956 Deming Rd

Deming, WA 98244

Drug Free Schools

Mount Baker school District prohibits possession, use or distribution of illicit drugs and alcohol on school district property and as a part of any district sponsored student activity. Disciplinary sanctions consistent with local, state, and federal law. Community members are reminded to refrain from use of tobacco products on school property and at school sponsored events.

Weapons Prohibited on School Grounds

The possession, display, use, transmission, or transporting of any object on school property, school transportation, bus stops, or at school sponsored activities that could reasonably be considered a firearm, or a dangerous weapon is prohibited. Violation will result in mandatory expulsion for 1 calendar year. Student has the right to appeal any long term expulsion, (more than 10 days). Washington State requires expulsion for 1 calendar year for violation of the firearm rule. Juvenile authorities and parents will be notified. Parents have the right to appeal. The Superintendent may modify the one year expulsion on a case by case basis. All Mount Baker School District Schools /Facilities will post "Gun Free Zone" signs.

Photography

The Mount Baker School District may occasionally include photographs of students in district-wide and school newsletter publications, on the district's website, and in other school publications that are viewed by the public. Photographs of students will not be published if a written request is made by the parent or guardian. Written notification should be sent to the office of the student's school. Questions regarding this matter may be addressed by contacting at the District Office by calling 360-383-2000.

Tobacco Products Illegal Anywhere Anytime

Effective June 11, 1998, state law made it illegal for students or any person under 18 years of age to possess tobacco at school or school activities. The police will be notified. The penalty for a person under age 18 to possess tobacco products is (1) \$50.00 fine; or (2) up to 4 hours community service; or (3) participation in a smoking cessation program; or (4) all three. Community members are reminded to refrain from use of tobacco products on school property and at school sponsored events.

State Attendance Law

The 1995 Legislature passed the Becca Bill which requires school districts to communicate with parents regarding student absences. After the student has received three unexcused absences, parents will have a conference with the school. After the student has five unexcused absences, the school and parents must meet to develop a plan for improved attendance. If the student is on a 504 plan or IEP, the appropriate teams must be a part of this meeting. Schools may file truancy petitions with Juvenile Court after students have five unexcused absences, but the school must file a petition when the student has reached seven unexcused absences within a month or ten unexcused absences during the school year.

After receiving a petition, the court will ask families to appear before a commissioner to determine the level of court involvement in improving a student's attendance and/or any sanctions to be imposed upon either the parents or the student.
