Job Description

Proper certification/eligibility certificate to teach from the NH Department of Education. Certification must be maintained during employment.

A highly qualified teacher requirement is necessary if teaching core academic subject areas. Bachelor's degree from a recognized college or university with a major study in education.

To teach and motivate students according to an established curriculum. Ability to establish and maintain an effective working relationship with teachers, agency personnel, students, parents, and the public. Knowledge of basic education techniques and methods. Ability to work with all students, including those who possess educational disabilities. Ability to adapt teaching methods to students' individual learning styles. Must be willing to maintain an appearance appropriate to assigned duties and responsibilities.

Responsibilities:

- Creates written instructional objectives for the course and for units in the course.
- Established appropriate instructional goals and objectives for the class that are consistent with the school curriculum.
- Correlate learning activities with instructional objectives.
- Effectively integrates appropriate technology.
- Prepares and maintains written plans and modifies them as necessary.
- Implements a behavior management program for students, assisting students in learning and demonstrating responsible behavior.
- Respects confidentiality.
- Submits progress reports on each student in the formal educational program with recommendations as to further development.
- Review and purchase appropriate instructional materials to meet individual needs to support the curriculum.
- Utilizes homework as a tool for the reinforcement of classroom instruction.
- Supervises or assists in field trips, and recreational and other extracurricular programs for the benefit of the students.
- Uphold and enforce school rules, administrative regulations, and School Board Policies.
- Attend staff meetings and contributes to the school committee and work groups.
- Performs related duties as assigned.
- Other duties as directed by the principal.
