Large Group Instruction (LGI) Room
South Vermillion Middle School

The 2019 Indiana General Assembly enacted legislation (SEA 390), codified at Indiana Code 20-29-6-19(a), requiring a school employer to conduct a public meeting to discuss a tentative collective bargaining agreement at least seventy-two (72) hours before it is ratified by the school employer. This statute further requires that the school employer post notice of the time and location of the public meeting and the tentative collective bargained agreement on the school employer's internet web site at least seventy-two (72) hours prior to the public meeting.

Therefore, the Board of School Trustees posted the tentative collective bargaining agreement document on the school corporation's website as required by law and is holding this public meeting in accordance with SEA 390. The tentative agreement contains the salary, wages, and wage-related fringe benefits negotiated by the parties for corporation teachers for the 2023-2024 school year. This document will be available for review by the public on the school corporation website, and the public will be permitted to provide comment on the document at the meeting.
