When a test is being given, you can help by making sure your child:

- gets plenty of sleep the night before the test
- has breakfast on the morning of the test
- goes to school on the day of a test
- does not have any out-of-school appointments on the day of a test
- knows you think he/she will do well on the tests
- knows you understand the test is important

DID YOU KNOW?

- ATLAS Assessments are not timed which allows students to work at their own pace without the anxiety of a timer
- Students will be given the opportunity for the computer to read the assessment to them, if needed. This is for all tests except Reading under special circumstances
- ATLAS Assessments will test a student's knowledge on their current grade level
- GSD Teachers have been utilizing ATLAS resources all year to prepare students to the new format and questioning styles
