

National Honor Society Tutoring Program

NHS will kick off our free tutoring program the week of September 25th for the 2023-2024 school year.

There will be one to two tutors available in the high school library from **3:30 to 4:30 Monday through Wednesday** to work with students of all grades. Based on availability, tutors will be available in the high school counseling center to work with high school students from **7:45 to 8:15 a.m. Tuesday and Thursday mornings**. Based on schedule availability of tutors, there will also be tutors available to 8th grade students during their advisory time, **1:05-1:35 Mondays through Wednesdays**.

Tutoring will be available through the end of April.

Tutors are asked to balance their time evenly between participating students, so some days may yield more individual assistance than others. Please be mindful that this is a student operated, volunteer program and best efforts to maintain the above schedule will be made. If you have any questions about the NHS tutoring program, please contact Rachel Laughnan at rachellaughnan@ftbroncs.org.

Please view the attached link or QR Code to see tutor availability for each week.
