

12/19/2023 – Infinite Campus Letter to Families

Hello Frenchtown!

Just a friendly reminder to participate in the Comprehensive Needs Assessment provided by the Office of Public Instruction, if you have not already

done so. https://montanaopi.sjc1.qualtrics.com/jfe/form/SV_0ppbDFMo98Q3aMm This survey is an important component of the new school accreditation process and your input will assist the FTSD in enhancing the services for students, staff, and the community of Frenchtown. In January, the goal setting phase will begin upon the analysis of the assessment. We look forward to working collaboratively with the community throughout the accreditation process.

Take care,

Les
